WHEREAS, Oakland High School in Rutherford County is one such exemplary institution, whose mechatronics program recently received the Excellence in Action award from Advance CTE, which recognizes the best Career Technical Education (CTE) programs of study across the nation; and

WHEREAS, Oakland's mechatronics program was one of eleven programs selected for this distinguished award based on its track record of providing clear pathways into college and careers, rigorous academic and technical coursework, strong partnerships with industry leaders, and impactful work-based learning experiences that offer opportunities for career exploration and subject-matter mastery; and

WHEREAS, Oakland High School Assistant Principal John Marshall and Tyra Pilgrim, CTE Coordinator for Rutherford County Schools, accepted the prestigious honor at an award luncheon held in Washington, D.C., on May 3, 2017; and
