AN ACT to amend Tennessee Code Annotated, Title 49, Chapter 4, Part 7 and Title 49, Chapter 4, Part 9, relative to postsecondary financial assistance.

WHEREAS, Governor Haslam has set the goal of making Tennessee the number one location in the Southeast for high-quality jobs; and

WHEREAS, high-quality jobs require a workforce that is equipped with the knowledge and skills provided through postsecondary education; and

WHEREAS, the Governor and members of the General Assembly hear continually from Tennessee employers that the demand for skilled workers exceeds the supply; and

WHEREAS, Tennessee lags behind the national average in residents with higher education degrees, ranking forty-third in the percentage of adults with a two-year degree or higher; and

WHEREAS, without intervention, the current higher education attainment level of thirty-two percent (32%) among Tennesseans is projected to increase to only thirty-nine percent (39%) by 2025; and

WHEREAS, recognizing these realities, Governor Haslam launched the Drive to 55 initiative to increase higher education attainment among Tennesseans to fifty-five percent (55%) by 2025, which will require the awarding of four hundred ninety-four thousand (494,000) additional postsecondary credentials; and

WHEREAS, these credentials need to be fully aligned with emerging workforce demands, which will require collaboration across education and workforce agencies at the state, regional, and local level; and

WHEREAS, the Drive to 55 initiative is comprised of strategies to address both traditional and nontraditional students; and

WHEREAS, we cannot reach fifty-five percent (55%) without engaging our adult population that has some college but no degree; and

WHEREAS, reaching this goal will require focused effort and coordination across all systems and institutions of Tennessee higher education; and

WHEREAS, a key to the future economic success of Tennessee is reaching fifty-five percent (55%) higher education attainment by 2025 in order to keep up with projections of the percent of Tennessee jobs that will require a postsecondary credential or degree; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

(2) The trustees of the trust shall be as follows:

(A) The governor, or a member of the governor's cabinet or a cabinet-level staff member who is designated by the governor;

(B) The state treasurer;

(C) The comptroller of the treasury;

(D) The secretary of state;

(E) The commissioner of finance and administration;

(F) The chair of the finance, ways and means committee of the house of representatives;

(G) The chair of the finance, ways and means committee of the senate; and

(H) One (1) member appointed by the governor who shall serve at the pleasure of the governor;

(3) The state treasurer shall serve as the chair of the trustees and shall preside over all meetings and proceedings of the trustees;

(4) The trust may invest in any security or investment in which the Tennessee consolidated retirement system is permitted to invest; provided, that investments by the trust shall be governed by the investment policies and guidelines adopted by the trustees of the trust in accordance with the provisions of this part. The state treasurer shall be responsible for the investment and reinvestment of trust funds in accordance with the policies and guidelines established by the trustees;

(5) The trust shall be initially funded in fiscal year 2014-2015 by a deposit of:

(A) The program-generated revenues of TSAC invested as a part of the chairs of excellence endowment fund established by § 49-7-501 and
pursuant to Chapter 98 of the Public Acts of 2013, and any income earned from the investment of such funds; and

(B) The balance of the lottery for education account established in accordance with § 4-51-111(b), but excluding the general shortfall reserve subaccount provided in § 4-51-111(b)(3) and the sum of ten million dollars ($10,000,000);

(6) The initial deposit shall constitute the principal of the trust. Subsequent transfers to the trust and trust income, as defined in this section, shall not increase, or constitute an addition to, the principal of the trust, but shall be placed in the Tennessee Promise scholarship special reserve account provided in subdivision (d)(9);

(7) Beginning in fiscal year 2014-2015, all funds in the lottery for education account, established in § 4-51-111(b), in excess of sum of the general shortfall reserve subaccount provided in § 4-51-111(b)(3) and ten million dollars ($10,000,000), shall be transferred on at least an annual basis to the Tennessee Promise scholarship special reserve account, or more frequently as determined by the state treasurer and the commissioner of finance and administration. Such transfers shall occur after all required expenditures have been made for Tennessee education lottery scholarship programs, Tennessee student assistance awards, and administrative expenses, and after any required deposits into the general shortfall reserve subaccount have been made. The Tennessee Promise scholarship special reserve account shall be a part of the trust, and the funds in the special reserve account may be commingled with, co-invested with, and invested or reinvested with the other assets of the trust;

(8) The principal of the trust shall not be expended for any purpose. Trust income shall be expended only to fund the Tennessee Promise scholarship program and pay expenses incurred in administering and investing the trust assets. Trust income means the income from the trust's investment portfolio from whatever source derived, including, but not limited to, interest, dividends, and realized capital gains or losses;

(9) Any trust income not allocated or distributed to the beneficiaries of the Tennessee Promise scholarship program shall be maintained in a Tennessee Promise scholarship special reserve account and may be subject to future allocations and distributions in accordance with this section;

(10) Any funds transferred for the Tennessee Promise scholarship program after the initial deposit in subdivision (d)(5), including matching funds or future appropriations made by the general assembly, shall be placed in the Tennessee Promise scholarship special reserve account of the trust. Unexpended funds remaining in the trust in any fiscal year, whether principal or funds in the Tennessee Promise scholarship special reserve account shall not revert to the general fund;

(11) The funds transferred to this trust may be commingled with, co-invested with, and invested or reinvested with other assets transferred to the trust. All or a portion of the trust may be invested, reinvested and co-invested with other funds, not a part of the trust, which are held by the state treasurer, including, but not limited to, assets of the Tennessee consolidated retirement system and the state pooled investment fund established pursuant to title 9, chapter 4, part 6. The state treasurer shall account for such trust funds in one (1) or more separate accounts in accordance with this section and other law;

(12) Notwithstanding any provision of the law to the contrary, all funds placed in the Tennessee Promise scholarship special reserve account shall be available for allocation and distribution as authorized herein only to the extent that funds are available in the Tennessee Promise scholarship special reserve account, and the state shall not be liable for any amount in excess of such sum. All requests for withdrawals for the payment of program funding that are presented to the state treasurer shall be used only to fund the Tennessee Promise scholarship program. Such requests for withdrawals shall not be commingled with requests for withdrawals presented to the state treasurer for any other purpose, and the individual or entity requesting the withdrawal of funds shall attest to the same upon presentation of the request for withdrawal to the state treasurer; and
(13) The provisions of the irrevocable trust are provided in this subsection (d), but the trust shall not include the provisions contained in other subsections of this act, which shall be subject to amendment by legislative enactment.

(e) TSAC and the Tennessee higher education commission shall provide assistance to the general assembly by researching and analyzing data concerning the scholarship program created under this part, including, but not limited to, student success and scholarship retention. TSAC shall report its findings annually to the education committee of the senate and the education committee of the house of representatives by March 15.

(f) The comptroller of the treasury, through the comptroller's office of research and education accountability, shall review and study the Tennessee Promise scholarship program to determine the effectiveness of the program. The study shall be done in the third year of the program and every four (4) years thereafter. The comptroller of the treasury shall report the findings and conclusions of the study to the speakers of the senate and house of representatives and the members of the education committees of the senate and the house of representatives.

(g) The TSAC board of directors shall appoint a special advisory committee comprised of representatives from existing college access programs in the state. The committee shall take steps necessary to eliminate barriers to access to scholarships and hold mentoring organizations to the highest standard in serving the students receiving the scholarship. Members of the committee shall serve without compensation.

SECTION 2. TSAC is authorized to promulgate rules to effectuate the purposes of Section 1 of this act, including the determination of student eligibility and for the distribution of funds appropriated for scholarships under the program. Such rules shall include adjustments to scholarship amounts and student eligibility in the event that net proceeds from the trust account established under this section are insufficient to fund fully the Tennessee Promise scholarship program. All such rules shall be promulgated in accordance with Tennessee Code Annotated, Title 4, Chapter 5.
