

There is provided by the 2009 General Appropriations Act, Chapter 554 of the Public Acts of 2009, an appropriation for emergency and contingency for any purposes authorized by law for which no appropriation or for which inadvertently insufficient appropriation has been made, or for any public purpose within the implication of law for which no express appropriation is made.

I. There is sufficient balance in this appropriation, and expense of the following item should be provided therefore:

From Code 353.00 Emergency and Contingency \$250,649.60

To Code 309.01 State Treasurer \$250,649.60

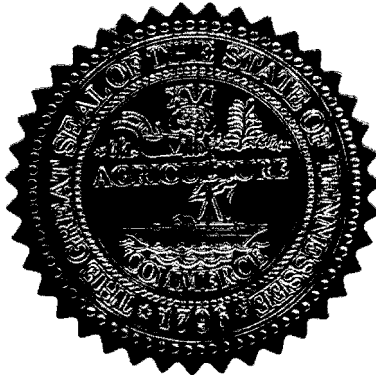

I am directing the allotment of \$250,649.60 to provide funding in lieu of Flexible Savings Account administrative fees.

It is therefore ordered that a transfer be made out of said emergency and contingency appropriation to defray the expense of the previous item and that the Commissioner of Finance and Administration notify the Chief of Accounts to include the transfer in the work program allotment.
