WHEREAS, the suspension of selected state laws and rules and the other measures contained herein are necessary to facilitate the response to the current emergency.

All governing body meetings conducted by electronic means under this Order shall remain open and accessible to public attendance by electronic means, as follows: Each governing body must make reasonable efforts to ensure that the public access to the meeting via electronic means is live access, but if the governing body cannot provide such live public access despite reasonable efforts, the governing body must make a clear audio or video recording of the meeting available to the public as soon as practicable following the meeting, and in no event more than two business days after the meeting; and
