- (s) Failing to report violations committed by other licensees of Tennessee Code Annotated, Title 63, Chapter 24 and Official Compilation, Rules and Regulations, Chapter 0150-01;
 - (t) Disciplinary action against a person licensed, certified, registered, or permitted to practice as an athletic trainer by another state or territory of the United States for any acts or omissions which would constitute grounds for discipline of a person licensed in this state. A certified copy of the initial or final order or other equivalent document memorializing the disciplinary action from the disciplining state or territory shall constitute prima facie evidence of violation of this section and be sufficient grounds upon which to deny, restrict or condition licensure or renewal and/or discipline a person licensed in this state.
- (2) Upon a finding by the Board that an athletic trainer has violated any provision of the T.C.A. §§ 63-24-101, et seq., or the rules promulgated pursuant thereto, the Board may take any of the following actions separately or in any combination which is deemed appropriate to the offense;
- (a) Advisory Censure - This is a written action issued for minor or near infractions. It is informal and advisory in nature and does not constitute a formal disciplinary action.

 - (c) Probation - This is a formal disciplinary action which places an athletic trainer on close scrutiny for a fixed period of time. This action may be combined with conditions that must be met before probation will be lifted and/or which restrict the individual's activities during the probationary period.

The Board, in its discretion, may allow reinstatement of a revoked license upon conditions and after a period of time that it deems appropriate. No petition for reinstatement and no new application for licensure from a person whose license was revoked for cause shall be considered prior to the expiration of at least six (6) months from the effective date of the revocation order.
 - (f) Conditions - Any action deemed appropriate by the Board to be required of a disciplined licensee in any of the following circumstances:
 - 1. During any period of probation, suspension; or

 - 3. As a prerequisite to the lifting of probation or suspension or as a prerequisite to the reinstatement of a revoked license; or
 - 4. As a stand-alone requirement(s) in any disciplinary order.
 - (g) Civil Penalties

(Rule 0150-01-.15, continued)

1. Purpose - The purpose of this is to set out a schedule designating the minimum and maximum civil penalties which may be assessed pursuant to T.C.A. § 63-1-134.
2. Schedule of Civil Penalties
 - (i) A Type A civil penalty may be imposed whenever the Board finds the person who is required to be licensed or certified, permitted or authorized by the Board guilty of a willful and knowing violation of T.C.A. §§ 63-24-101, et seq., or regulations promulgated pursuant thereto, to such an extent that there is, or is likely to be an imminent, substantial threat to the health, safety and welfare of an individual client or the public. For purposes of this section, willfully and knowingly practicing as an athletic trainer without a license, certification or other authorization from the Board is one of the violations of T.C.A. §§ 63-24-101, et seq., for which a Type A civil penalty is assessable.
 - (ii) A Type B civil penalty may be imposed whenever the Board finds the person who is required to be licensed or certified, permitted or authorized by the Board is guilty of a violation of T.C.A. §§ 63-24-101, et seq., or regulations promulgated pursuant thereto, in such a manner as to impact directly on the care of patients or the public.
 - (iii) A Type C civil penalty may be imposed whenever the Board finds the person who is required to be licensed by the Board or certified, permitted or authorized by the Board is guilty of a violation of T.C.A. §§ 63-24-101, et seq., or regulations promulgated pursuant thereto, which are neither directly detrimental to the patients or public, nor directly impact their care, but have only indirect relationship to patient care or the public.
3. Amount of Civil Penalties
 - (i) Type A Civil Penalties shall be assessed in the amount of not less than \$500 or more than \$1,000.
 - (ii) Type B Civil Penalties may be assessed in the amount of not less than \$100 and not more than \$500.
 - (iii) Type C Civil Penalties may be assessed in the amount of not less than \$50 and not more than \$100.
4. Procedures for Assessing Civil Penalties
 - (i) The Division of Health Related Boards may initiate a civil penalty assessment by filing a Memorandum of Assessment of Civil Penalty. The Division shall state in the memorandum the facts and law upon which it relies in alleging a violation, the proposed amount of the civil penalty and the basis for such penalty. The Division may incorporate the Memorandum of Assessment of Civil Penalty with a Notice of Charges which may be issued attendant thereto.
 - (ii) Civil Penalties may also be initiated and assessed by the Board during consideration of any Notice of Charges. In addition, the Board may, upon good cause shown, assess a type and amount of civil penalty which was not recommended by the Division.

(Rule 0150-01-.15, continued)

- (iii) In assessing the civil penalties pursuant to these rules the Board may consider the following factors:
 - (I) Whether the amount imposed will be a substantial economic deterrent to the violator;
 - (II) The circumstances leading to the violation;
 - (III) The severity of the violation and the risk of harm to the public;
 - (IV) The economic benefits gained by the violator as a result of non-compliance; and,
 - (V) The interest of the public.
- (iv) All proceedings for the assessment of civil penalties shall be governed by the contested case provisions of Title 4, Chapter 5, Tennessee Code Annotated.
- (h) Assessment of Costs - Shall be as set forth in T.C.A. § 63-1-144.
- (i) Summary Suspension - This is a formal preliminary disciplinary action which immediately suspends a licensee's right to practice as an athletic trainer until a final disposition of the matter is had after a promptly instituted, full hearing before the Board. This type of suspension is ordered ex parte, pursuant to the notice procedures contained in T.C.A. § 4-5-320 and then only upon a finding by the Board that the public health, safety or welfare imperatively requires emergency action.
- (3) Once ordered, probation, suspension, revocation, assessment of a civil penalty, or any other condition of any type of disciplinary action may not be lifted unless and until the licensee petitions, pursuant to paragraph (4) of this rule, and appears before the Board after the period of initial probation, suspension, revocation, or other conditioning has run and all conditions placed on the probation, suspension, revocation, have been met, and after any civil penalties assessed have been paid.
- (4) Order of Compliance - This procedure is a necessary adjunct to previously issued disciplinary orders and is available only when a petitioner has completely complied with the provisions of a previously issued disciplinary order, including an unlicensed practice civil penalty order, and wishes or is required to obtain an order reflecting that compliance.
 - (a) The Board will entertain petitions for an Order of Compliance as a supplement to a previously issued order upon strict compliance with the procedures set forth in subparagraph (b) in only the following three (3) circumstances:
 1. When the petitioner can prove compliance with all the terms of the previously issued order and is seeking to have an order issued reflecting that compliance; or
 2. When the petitioner can prove compliance with all the terms of the previously issued order and is seeking to have an order issued lifting a previously ordered suspension or probation; or
 3. When the petitioner can prove compliance with all the terms of the previously issued order and is seeking to have an order issued reinstating a license previously revoked.
 - (b) Procedures

(Rule 0150-01-.15, continued)

 - (i) A copy of the previously issued order; and
 - (ii) A statement of which provision of subparagraph (a) the petitioner is relying upon as a basis for the requested order; and
 - (iii) A copy of all documents that prove compliance with all the terms or conditions of the previously issued order. If proof of compliance requires testimony of an individual(s), including that of the petitioner, the petitioner must submit signed statements from every individual the petitioner intends to rely upon attesting, under oath, to the compliance. The Board's consultant and administrative staff, in their discretion, may require such signed statements to be notarized. No documentation or testimony other than that submitted will be considered in making an initial determination on, or a final order in response to, the petition.
2. The Board authorizes its consultant and administrative staff to make an initial determination on the petition and take one of the following actions:
 - (i) Certify compliance and have the matter scheduled for presentation to the Board as an uncontested matter; or
 - (ii) Deny the petition, after consultation with legal staff, if compliance with all of the provisions of the previous order is not proven and notify the petitioner of what provisions remain to be fulfilled and/or what proof of compliance was either not sufficient or not submitted.
3. If the petition is presented to the Board the petitioner may not submit any additional documentation or testimony other than that contained in the petition as originally submitted.
4. If the Board finds that the petitioner has complied with all the terms of the previous order an Order of Compliance shall be issued.
5. - (5) Order Modifications - This procedure is not intended to allow anyone under a previously issued disciplinary order, including an unlicensed practice civil penalty order, to modify any findings of fact, conclusions of law, or the reasons for the decision contained in the order. It is also not intended to allow a petition for a lesser disciplinary action, or civil penalty other than the one(s) previously ordered. All such provisions of Board orders were subject to reconsideration and appeal under the provisions of the Uniform Administrative Procedures Act (T.C.A. §§ 4-5-301, et seq.). This procedure is not available as a substitute for reconsideration and/or appeal and is only available after all reconsideration and appeal rights have been either exhausted or not timely pursued. No documentation or testimony other than that submitted will be considered in making an initial determination on, or a final order in response to, the petition.
2. The Board authorizes its consultant and administrative staff to make an initial determination on the petition and take one of the following actions:
 - (i) Certify impossibility of compliance and forward the petition to the Office of General Counsel for presentation to the Board as an uncontested matter; or

0150-01-.20 ADVERTISING.

- (1) Policy Statement. The lack of sophistication on the part of many of the public concerning an athletic trainer's services, the importance of the interests affected by the choice of an athletic trainer and the foreseeable consequences of unrestricted advertising by athletic trainers which is recognized to pose special possibilities for deception, require that special care be taken by athletic trainers to avoid misleading the public. The athletic trainer must be mindful that the benefits of advertising depend upon its reliability and accuracy. Since advertising by athletic trainers is calculated and not spontaneous, reasonable regulation designed to foster compliance with appropriate standards serves the public interest without impeding the flow of useful, meaningful, and relevant information to the public.
- (2) Definitions
 - (a) Advertisement. Informational communication to the public in any manner designed to attract public attention to the practice of an athletic trainer who is licensed to practice in Tennessee.

(Rule 0150-01-.20, continued)

- (b) Licensee. Any person holding a license to practice as an athletic trainer in the State of Tennessee. Where applicable this shall include partnerships and/or corporations.
 - (c) Material Fact. Any fact which an ordinary reasonable and prudent person would need to know or rely upon in order to make an informed decision concerning the choice of practitioners to serve his or her particular needs.
 - (d) Bait and Switch Advertising. An alluring but insincere offer to sell a product or service which the advertiser in truth does not intend or want to sell. Its purpose is to switch consumers from buying the advertised service or merchandise, in order to sell something else, usually for a higher fee or on a basis more advantageous to the advertiser.
 - (e) Discounted Fee. Shall mean a fee offered or charged by a person for a product or service that is less than the fee the person or organization usually offers or charges for the product or service. Products or services expressly offered free of charge shall not be deemed to be offered at a "discounted fee."
- (3) Advertising Fees and Services
- (a) Fixed Fees. Fixed fees may be advertised for any service. It is presumed unless otherwise stated in the advertisement that a fixed fee for a service shall include the cost of all professional recognized components within generally accepted standards that are required to complete the service.
 - (b) Range of Fees. A range of fees may be advertised for services and the advertisement must disclose the factors used in determining the actual fee necessary to prevent deception of the public.
 - (c) Discount Fees. Discount fees may be advertised if:
 - 1. The discount fee is in fact lower than the licensee's customary or usual fee charged for the service; and
 - 2. The licensee provides the same quality and components of service and material at the discounted fee that are normally provided at the regular, non-discounted fee for that service.
 - (d) Related Services and Additional Fees. Related services which may be required in conjunction with the advertised services for which additional fees will be charged must be identified as such in any advertisement.
 - (e) Time Period of Advertised Fees.
 - 1. Advertised fees shall be honored for those seeking the advertised services during the entire time period stated in the advertisement whether or not the services are actually rendered or completed within that time.
 - 2. If no time period is stated in the advertisement of fees, the advertised fee shall be honored for thirty (30) days from the last date of publication or until the next scheduled publication whichever is later whether or not the services are actually rendered or completed within that time.
- (4) Advertising Content. The following acts or omissions in the context of advertisement by any licensee shall constitute unethical and unprofessional conduct, and subject the licensee to disciplinary action pursuant to T.C.A. § 63-24-107.

(Rule 0150-01-.20, continued)

- (a) Claims that the services performed, personnel employed, materials or office equipment used are professionally superior to that which is ordinarily performed, employed, or used, or that convey the message that one licensee is better than another when superiority of services, personnel, materials or equipment cannot be substantiated.
- (b) The misleading use of an unearned or non-health degree in any advertisement.
- (c) Promotion of professional services which the licensee knows or should know is beyond the licensee's ability to perform.
- (d) Techniques of communication which intimidate, exert undue pressure or undue influence over a prospective client.
- (e) Any appeals to an individual's anxiety in an excessive or unfair manner.
- (f) The use of any personal testimonial attesting to a quality of competency of a service or treatment offered by a licensee that is not reasonably verifiable.
- (g) Utilization of any statistical data or other information based on past performances for prediction of future services, which creates an unjustified expectation about results that the licensee can achieve.
- (h) The communication of personal identifiable facts, data, or information about a patient without first obtaining patient consent.
- (i) Any misrepresentation of a material fact.
- (j) The knowing suppression, omission or concealment of any material fact or law without which the advertisement would be deceptive or misleading.
- (k) Statements concerning the benefits or other attributes of an athletic trainer's procedures or products that involve significant risks without including:
 - 1. A realistic assessment of the safety and efficiency of those procedures or products; and
 - 2. The availability of alternatives; and
 - 3. Where necessary to avoid deception, descriptions or assessment of the benefits or other attributes of those alternatives.
- (l) Any communication which creates an unjustified expectation concerning the potential results of any treatment.
- (m) Failure to comply with the rules governing advertisement of fees and services, or advertising records.
- (n) The use of "bait and switch" advertisements. Where the circumstances indicate "bait and switch" advertising, the Board may require the licensee to furnish data or other evidence pertaining to those sales at the advertised fee as well as other sales.
- (o) Misrepresentation of a licensee's credentials, training, experience, or ability.
- (p) Failure to include the corporation, partnership or individual licensee's name, address, and telephone number in any advertisement. Any corporation, partnership or

association which advertises by use of a trade name or otherwise fails to list all licensees practicing at a particular location shall:

1. Upon request provide a list of all licensees practicing at that location; and
 2. Maintain and conspicuously display at the licensee's office, a directory listing all licensees practicing at that location.
- (q) Failure to disclose the fact of giving compensation or anything of value to representative of the press, radio, television or other communicative medium in anticipation of or in return for any advertisement (for example, newspaper article) unless the nature, format or medium of such advertisement makes the fact of compensation apparent.
- (r) After thirty (30) days of the licensee's departure, the use of the name of any licensee formerly practicing at or associated with any advertised location or on office signs or buildings. This rule shall not apply in the case of a retired or deceased former associate who practiced in association with one or more of the present occupants if the status of the former associate is disclosed in any advertisement or sign.
- (s) Stating or implying that a certain licensee provides all services when any such services are performed by another licensee.
- (t) Directly or indirectly offering, giving, receiving, or agreeing to receive any fee or other consideration to or from a third party for the referral of a patient in connection with the performance of professional services.
- (5) Advertising Records and Responsibility
- (a) Each licensee who is a principal partner, or officer of a firm or entity identified in any advertisement, is jointly and severally responsible for the form and content of any advertisement. This provision shall also include any licensed professional employees acting as an agent of such firm or entity.
 - (b) Any and all advertisements are presumed to have been approved by the licensee named therein.
 - (c) A recording of every advertisement communicated by electronic media, and a copy of every advertisement communicated by print media, and a copy of any other form of advertisement shall be retained by the licensee for a period of two (2) years from the last date of broadcast or publication and be made available for review upon request by the Board or its designee.
 - (d) At the time any type of advertisement is placed, the licensee must possess and rely upon information which, when produced, would substantiate the truthfulness of any assertion, omission or representation of material fact set forth in the advertisement or public information.
- (6) Severability. It is hereby declared that the sections, clauses, sentences and parts of these rules are severable, are not matters of mutual essential inducement, and any of them shall be rescinded if these rules would otherwise be unconstitutional or ineffective. If any one or more sections, clauses, sentences or parts shall for any reason be questioned in court, and shall be adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remaining provisions thereof, but shall be confined in its operation to the specific provision or provisions so held unconstitutional or invalid, and the inapplicability or invalidity of any section, clause, sentence or part in any one or more instance shall not be taken to affect or prejudice in any way its applicability or validity in any other instance.
