0240-07-06-.01 DEFINITIONS.

- (1) Actual knowledge: notice of sexual harassment or allegations of sexual harassment to MTSU's Title IX Coordinator or any MTSU official who has authority to institute corrective measures on behalf of MTSU. This definition is not met when the only MTSU official with actual knowledge is also the respondent.
- (2) Complainant: an individual who is alleged to be the victim of conduct that could constitute sexual harassment. Complainant does not mean the Title IX Coordinator when the Title IX Coordinator signs a formal complaint or is not otherwise an alleged victim of sexual harassment. References in this rule to the singular "complainant" include the plural, as applicable.
- (3) Deliberately indifferent: a response that is clearly unreasonable in light of the known circumstances.
- (4) Education program or activity: locations, events, or circumstances over which MTSU exercised substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by MTSU.
- (5) Formal complaint: a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting MTSU investigate the allegation of sexual harassment. As used in this definition, the phrase "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- (6) Hearing officer: the person who is the decision-maker with respect to the determination of responsibility after a live hearing. Hearing officer may also mean a committee that is the decision-maker with respect to the determination of responsibility after a live hearing. A hearing officer cannot be the same person(s) as the Title IX Coordinator or the investigator(s).

(Rule 0240-07-06-.01, continued)

- (7) Party: either complainant or respondent. References in this rule to the plural “parties” include complainant and respondent.
- (8) Respondent: an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment. References in this rule to the singular “respondent” include the plural, as applicable.
- (9) Sexual harassment: conduct on the basis of sex that satisfies one (1) or more of the following:
 - (a) A MTSU employee conditioning the provision of an aid, benefit, or service of MTSU on an individual’s participation in unwelcome sexual conduct;
 - (b) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to MTSU’s education program or activity; or
 - (c) Sexual assault as defined by federal law, “dating violence” as defined by federal law, “domestic violence” as defined by federal or state law, or “stalking” as defined by federal law.
- (10) Supportive measures: non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to MTSU’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or MTSU’s educational environment, or deter sexual harassment. Supportive measures may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.
- (11) Title IX Coordinator: the person designated and authorized by MTSU to coordinate its efforts to comply with its Title IX responsibilities.

Authority: T.C.A. §§ 49-8-101(a)(2)(A), 49-8-203(a)(1)(D), and 49-8-203(a)(4). **Administrative History:** New rules filed November 13, 2020; to have become effective February 11, 2021. However, a 75-day stay of the effective date of the rules was filed December 18, 2020; new effective date to have been April 27, 2021. Withdrawal of the stay filed February 4, 2021; new effective date March 31, 2021.

0240-07-06-.02 STATEMENT OF NONDISCRIMINATION ON THE BASIS OF SEX.

- (1) As required by law, no student, employee, or applicant for admission or employment will be excluded, on the basis of sex, from participation in, be denied the benefit of, or be subjected to discrimination in any MTSU education program or activity.
- (2) If MTSU has actual knowledge of sexual harassment in an education program or activity against a person, MTSU will respond promptly in a manner that is not deliberately indifferent.

0240-07-06-.06 MTSU'S RESPONSE TO COMPLAINTS OF SEXUAL HARASSMENT.

- (1) If MTSU has actual knowledge of sexual harassment in an education program or activity committed against a person while in the United States, MTSU will respond promptly in a manner that is not deliberately indifferent and follow its grievance process.
- (2) MTSU will treat complainants and respondents equitably by offering supportive measures to a complainant, and in cases where a formal complaint is filed, will follow its grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.
- (3) The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.
- (4) The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.
- (5) MTSU may remove a respondent from an education program or activity on an emergency basis only after undertaking an individualized safety and risk analysis, determining that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and providing the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- (6) MTSU may place a non-student employee respondent on administrative leave during the pendency of a grievance process.

Authority: T.C.A. §§ 49-8-101(a)(2)(A), 49-8-203(a)(1)(D), and 49-8-203(a)(4). **Administrative History:** New rules filed November 13, 2020; to have become effective February 11, 2021. - (2) MTSU will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality does not impair MTSU's ability to provide the supportive measures.

(Rule 0240-07-06-.07, continued)

Authority: T.C.A. §§ 49-8-101(a)(2)(A), 49-8-203(a)(1)(D), and 49-8-203(a)(4). **Administrative History:** New rules filed November 13, 2020; to have become effective February 11, 2021. - (1) When a formal complaint is filed, MTSU will provide parties with a written notice of its grievance process, including any informal resolution process(es).
- (2) MTSU will provide written notice of the allegations potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known.
- (3) MTSU's written notice will include a statement that:
 - (a) The respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
 - (b) The parties may have an advisor of their choice, who may be, but is not required to be, an attorney;
 - (c) The parties may inspect and review evidence; and
 - (d) Identifies any provision in its codes of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.
- (4) If, in the course of an investigation, MTSU decides to investigate allegations about the complainant or respondent that are not included in the initial written notice, MTSU will provide notice of the additional allegations to the parties whose identities are known.

Authority: T.C.A. §§ 49-8-101(a)(2)(A), 49-8-203(a)(1)(D), and 49-8-203(a)(4). **Administrative History:** New rules filed November 13, 2020; to have become effective February 11, 2021. Withdrawal of the stay filed February 4, 2021; new effective date March 31, 2021.

0240-07-06-.09 INVESTIGATIONS OF FORMAL COMPLAINTS.

- (1) MTSU will investigate, to the extent necessary or possible, the allegations in a formal complaint.
- (2) If the conduct alleged in a formal complaint would not constitute sexual harassment even if proved, did not occur in MTSU's education program or activity, or did not occur against a person while in the United States, MTSU will dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not, however, preclude action under another provision of MTSU's codes of conduct or other policies.
- (3) MTSU may dismiss a formal complaint or any allegations therein, if at any time during the investigation a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein, the respondent is no longer enrolled or employed by MTSU; or specific circumstances prevent MTSU from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

(Rule 0240-07-06-.09, continued)

- (4) If MTSU dismisses a formal complaint during the investigation phase, MTSU will promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.
- (5) MTSU may consolidate formal complaints as to allegations of sexual harassment against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.
- (6) The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on MTSU and not on the parties.
- (7) MTSU will not access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and are made and maintained in connection with the provision of treatment to the party, unless MTSU obtains that party's voluntary, written consent to do so for a grievance process.
- (8) MTSU will provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
- (9) MTSU will not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.
- (10) MTSU will provide the parties with the same opportunities to have others present during any interview or investigative process, including the opportunity to be accompanied to any related investigation meeting by the advisor of their choice, who may be, but is not required to be, an attorney.
- (11) MTSU will not limit the choice or presence of an advisor for either the complainant or respondent in any investigative meeting; however, MTSU may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.
- (12) MTSU will provide to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews, or other meetings with a party, with sufficient time for the party to prepare to participate.
- (13) MTSU will provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which MTSU does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.
- (14) Prior to completion of the investigative report, MTSU will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy.
- (15) MTSU will allow the parties ten (10) business days to submit a written response, which the investigator will consider prior to completion of the investigative report.
- (16) MTSU will create an investigative report that fairly summarizes relevant evidence.
- (17) At least ten (10) business days prior to a hearing or other time of determination regarding responsibility, MTSU will send the investigative report in electronic format or a hard copy to

(Rule 0240-07-06-.09, continued)

each party and the party's advisor, if any, for their review and written response to the investigative report.

Authority: T.C.A. §§ 49-8-101(a)(2)(A), 49-8-203(a)(1)(D), and 49-8-203(a)(4). **Administrative History:** New rules filed November 13, 2020; to have become effective February 11, 2021. However, a 75-day stay of the effective date of the rules was filed December 18, 2020; new effective date to have been April 27, 2021. Withdrawal of the stay filed February 4, 2021; new effective date March 31, 2021.

0240-07-06-.10 GRIEVANCE PROCESS FOR FORMAL COMPLAINTS—GENERAL PROVISIONS.

- (1) MTSU will apply its grievance procedures and requirements equally to both parties.
- (2) During the course of the grievance process, MTSU will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following its grievance process before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.
- (3) MTSU will design remedies to restore or preserve equal access to MTSU's education program or activity. Such remedies may include supportive measures; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.
- (4) MTSU will ensure that the Title IX Coordinator, investigator, hearing officer, or decision-maker does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The intent of this provision is to provide protections analogous to, and no less protective than, the conflict of interest provisions of T.C.A. § 4-5-303.
- (5) MTSU will require an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and prohibit credibility determinations based on a person's status as a complainant, respondent, or witness.
- (6) MTSU will presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- (7) MTSU will apply a preponderance of the evidence standard for all formal complaints.
- (8) MTSU will require the grievance process, including the appeal process, to conclude within a reasonably prompt time frame.
- (9) MTSU will provide the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that MTSU may implement following any determination of responsibility.
- (10) MTSU will describe the range of supportive measures available to complainants and respondents.
- (11) MTSU will provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney.
- (12) MTSU will not limit the choice or presence of advisor for either the complainant or respondent in any grievance proceeding; however, MTSU may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

(Rule 0240-07-06-.10, continued)

- (13) MTSU will provide to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all proceedings or hearings, or other meetings with a party, with sufficient time for the party to prepare to participate.
- (14) MTSU will appoint a hearing officer that meets the training requirements set forth in T.C.A. § 4-5-324.

Authority: T.C.A. §§ 49-8-101(a)(2)(A), 49-8-203(a)(1)(D), and 49-8-203(a)(4). **Administrative History:** New rules filed November 13, 2020; to have become effective February 11, 2021. However, a 75-day stay of the effective date of the rules was filed December 18, 2020; new effective date to have been April 27, 2021. Withdrawal of the stay filed February 4, 2021; new effective date March 31, 2021.

0240-07-06-.11 SPECIFIC PROVISIONS RELATED TO CONDUCTING A HEARING OF FORMAL COMPLAINTS.

- (1) MTSU will conduct a live hearing of formal complaints not dismissed pursuant to this rule.
- (2) At the request of either party, MTSU will provide for the live hearing to occur with the parties located in separate rooms with technology enabling the hearing officer and parties to simultaneously see and hear the party or the witness answering questions.
- (3) Live hearings may be conducted with all parties physically present in the same geographic location or, at MTSU's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other.
- (4) At least seventy-two (72) hours prior to a live hearing, MTSU will provide both parties with written notice of the following:
 - (a) The time, place, date of the hearing, and electronic access information, if applicable;
 - (b) The name of each witness MTSU expects to present at the hearing and those MTSU may present if the need arises;
 - (c) The right to request a copy of the investigative file;
 - (d) The right to request copies of all documents, copies of all electronically stored information, and access to tangible evidence that MTSU has in its possession, custody, or control and may use to support claims or defenses.
- (5) When notice is sent by United States mail or courier service, the notice is effective on the date that the notice is mailed or delivered to the courier service. When notice is hand delivered to the parties from the institution, notice is effective on the date that the notice is delivered to the parties. When notice is sent by email, the notice is effective on the date that the email is sent to the parties' institution-provided email account.
- (6) The hearing officer may allow a temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include but is not limited to considerations such as the absence of a party, a party's advisor, or a witness, concurrent law enforcement activity, or the need for language assistance or accommodation of disabilities.
- (7) In cases that involve more than one (1) respondent, the hearing officer may, consistent with the requirements of Title IX, consider whether separate proceedings are necessary to avoid undue prejudice to the respondents.

(Rule 0240-07-06-.11, continued)

- (8) During the hearing, the hearing officer will make evidence subject to review and inspection during the investigation phase available to give each party equal opportunity to refer to that evidence, including for purposes of cross-examination.
- (9) Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.
- (10) Only relevant cross examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the hearing officer will first determine whether the question is relevant and explain any decision to exclude a question as not relevant.
- (11) The hearing officer will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.
- (12) Notwithstanding any limitations to the contrary that MTSU has placed on the advisor's participation in the hearing, the hearing officer will permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination at the live hearing will be conducted directly, orally, and in real time by the party's advisor of choice and never by a party personally.
- (13) If a party does not have an advisor at the live hearing, MTSU will provide without fee or charge to that party an advisor of MTSU's choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that party.
- (14) If a party or witness does not submit to cross-examination at the live hearing, the hearing officer will not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the hearing officer cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions.
- (15) MTSU will create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the parties for inspection and review.
- (16) The hearing officer may dismiss the formal complaint or any allegations therein, if at any time during the hearing a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein, the respondent is no longer enrolled or employed by MTSU, or specific circumstances prevent MTSU from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.
- (17) If the hearing officer dismisses the formal complaint during the grievance process, the hearing officer will promptly notify the Title IX Coordinator who will promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

Authority: T.C.A. §§ 49-8-101(a)(2)(A), 49-8-203(a)(1)(D), and 49-8-203(a)(4). **Administrative History:** New rules filed November 13, 2020; to have become effective February 11, 2021. However, a 75-day stay of the effective date of the rules was filed December 18, 2020; new effective date to have been April 27, 2021. Withdrawal of the stay filed February 4, 2021; new effective date March 31, 2021.

0240-07-06-.12 DETERMINATION REGARDING RESPONSIBILITY.

- (1) The hearing officer will issue a written determination simultaneously to the complainant and respondent regarding responsibility, using a preponderance of the evidence to reach a determination.
- (2) The written determination must include:
 - (a) Identification of allegations potentially constituting sexual harassment;
 - (b) A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
 - (c) Findings of fact supporting the determination;
 - (d) Conclusions regarding the application of MTSU's rule, policy, and, if applicable, code of conduct to the facts;
 - (e) A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions MTSU imposes on the respondent, and whether remedies designed to restore or preserve equal access to MTSU's education program or activity will be provided to the complainant; and
 - (f) MTSU's procedures and permissible bases for the complainant and/or respondent to appeal.
- (3) The Title IX Coordinator will be responsible for effective implementation of any remedies.
- (4) The determination regarding responsibility becomes final either on the date that MTSU provides the parties with the written appeal decision, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

- (2) MTSU will not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility, MTSU may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, but only if MTSU:
 - (a) Provides to the parties a written notice disclosing the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;

- (2) The exercise of rights protected under the First Amendment does not constitute retaliation.
- (3) Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance process does not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.
