1200-30-01-.15 DISCIPLINARY ACTIONS AND CIVIL PENALTIES.

- (1) Complaints against licensed Alcohol and Drug Abuse Counselors shall be investigated by the Department. Upon a finding by the Department that a licensed Alcohol and Drug Abuse Counselor may have violated any provision of these rules a notice of charges may be issued. The Board, upon a finding of violation of these rules, may impose any of the following actions separately or in any combination deemed appropriate to the offense:
 - (a) Private censure. A written action issued to the licensed Alcohol and Drug Abuse Counselor for minor infractions. Such action is informal and advisory in nature and does not constitute a formal disciplinary action.
 - (b) Public censure or reprimand. A written action issued to a licensed Alcohol and Drug Abuse Counselor for single incident and less severe violations. It is a formal disciplinary action and a copy will be provided to persons making an inquiry.
 - (c) Probation. A formal disciplinary action which places a licensed Alcohol and Drug Abuse Counselor on close scrutiny for a fixed period of time. This action may be combined with conditions which must be met before probation will be lifted and/or which restrict the individual's activities during the probationary period.
 - (d) Suspension. A formal disciplinary action which suspends an individual's right to represent himself as a licensed Alcohol and Drug Abuse Counselor for a fixed period of time. It contemplates the reentry of the individual into the practice under the license previously issued.

(Rule 1200-30-01-.15, continued)

- (e) Revocation for cause. This is the most severe form of disciplinary action which removes an individual from the practice of the profession and terminates the license previously issued. No petition for reinstatement and no new application for licensure from a person whose license has been revoked shall be considered prior to the expiration of at least one (1) year, unless otherwise stated in the Board's revocation order.
 - (f) Conditions. Any action deemed appropriate by the Board to be required of a disciplined licensee during any period of probation or suspension or as a prerequisite to the lifting of probation or suspension.
- (2) Once ordered, probation, suspension, revocation, assessment of a civil penalty, or any other condition of any type of disciplinary action may not be lifted unless and until the licensee petitions, pursuant to paragraph (3) of this rule, and appears before the Board after the period of initial probation, suspension, revocation, or other conditioning has run and all conditions placed on the probation, suspension, revocation, have been met, and after any civil penalties assessed have been paid.
- (3) Order of Compliance - This procedure is a necessary adjunct to previously issued disciplinary orders and is available only when a petitioner has completely complied with the provisions of a previously issued disciplinary order, including an unlicensed practice civil penalty order, and wishes or is required to obtain an order reflecting that compliance.
- (a) The Board will entertain petitions for an Order of Compliance as a supplement to a previously issued order upon strict compliance with the procedures set forth in subparagraph (b) in only the following three (3) circumstances:
 - 1. When the petitioner can prove compliance with all the terms of the previously issued order and is seeking to have an order issued reflecting that compliance; or
 - 2. When the petitioner can prove compliance with all the terms of the previously issued order and is seeking to have an order issued lifting a previously ordered suspension or probation; or
 - 3. When the petitioner can prove compliance with all the terms of the previously issued order and is seeking to have an order issued reinstating a license previously revoked.
 - (b) Procedures
 - 1. The petitioner shall submit a Petition for Order of Compliance, as contained in subparagraph (c), to the Board's Administrative Office that shall contain all of the following:
 - (i) A copy of the previously issued order; and
 - (ii) A statement of which provision of subparagraph (a) the petitioner is relying upon as a basis for the requested order; and
 - (iii) A copy of all documents that prove compliance with all the terms or conditions of the previously issued order. If proof of compliance requires testimony of an individual(s), including that of the petitioner, the petitioner must submit signed statements from every individual the petitioner intends to rely upon attesting, under oath, to the compliance. The Board's

(Rule 1200-30-01-.15, continued)

consultant and administrative staff, in their discretion, may require such signed statements to be notarized. No documentation or testimony other than that submitted will be considered in making an initial determination on, or a final order in response to, the petition.

2. The Board authorizes its consultant and administrative staff to make an initial determination on the petition and take one of the following actions:
 - (i) Certify compliance and have the matter scheduled for presentation to the Board as an uncontested matter; or
 - (ii) Deny the petition, after consultation with legal staff, if compliance with all of the provisions of the previous order is not proven and notify the petitioner of what provisions remain to be fulfilled and/or what proof of compliance was either not sufficient or not submitted.
3. If the petition is presented to the Board the petitioner may not submit any additional documentation or testimony other than that contained in the petition as originally submitted.
4. If the Board finds that the petitioner has complied with all the terms of the previous order an Order of Compliance shall be issued.
5. If the petition is denied either initially by staff or after presentation to the Board and the petitioner believes compliance with the order has been sufficiently proven the petitioner may, as authorized by law, file a petition for a declaratory order pursuant to the provisions of T.C.A. § 4-5-223 and rule 1200-10-1-.11.

- (4) Order Modifications - This procedure is not intended to allow anyone under a previously issued disciplinary order, including an unlicensed practice civil penalty order, to modify any findings of fact, conclusions of law, or the reasons for the decision contained in the order. It is also not intended to allow a petition for a lesser disciplinary action, or civil penalty other than the one(s) previously ordered. All such provisions of Board orders were subject to reconsideration and appeal under the provisions of the Uniform Administrative Procedures Act (T.C.A. §§ 4-5-301, et seq.). This procedure is not available as a substitute for reconsideration and/or appeal and is only available after all reconsideration and appeal rights have been either exhausted or not timely pursued. It is also not available for those who have accepted and been issued a reprimand.
 - (a) The Board will entertain petitions for modification of the disciplinary portion of previously issued orders upon strict compliance with the procedures set forth in subparagraph (b) only when the petitioner can prove that compliance with any one or more of the conditions or terms of the discipline previously ordered is impossible. For purposes of this rule the term “impossible” does not mean that compliance is inconvenient or impractical for personal, financial, scheduling or other reasons.
 - (b) Procedures
 1. The petitioner shall submit a written and signed Petition for Order Modification on the form contained in subparagraph (c) to the Board’s Administrative Office that shall contain all of the following:
 - (i) A copy of the previously issued order; and
 - (ii) A statement of why the petitioner believes it is impossible to comply with the order as issued; and
 - (iii) A copy of all documents that proves that compliance is impossible. If proof of impossibility of compliance requires testimony of an individual(s), including that of the petitioner, the petitioner must submit signed and notarized statements from every individual the petitioner intends to rely upon attesting, under oath, to the reasons why compliance is impossible. No documentation or testimony other than that submitted will be

(Rule 1200-30-01-.15, continued)

considered in making an initial determination on, or a final order in response to, the petition.

2. The Board authorizes its consultant and administrative staff to make an initial determination on the petition and take one of the following actions:
 - (i) Certify impossibility of compliance and forward the petition to the Office of General Counsel for presentation to the Board as an uncontested matter; or
 - (ii) Deny the petition, after consultation with legal staff, if impossibility of compliance with the provisions of the previous order is not proven and notify the petitioner of what proof of impossibility of compliance was either not sufficient or not submitted.
3. If the petition is presented to the Board the petitioner may not submit any additional documentation or testimony other than that contained in the petition as originally submitted.
4. If the petition is granted a new order shall be issued reflecting the modifications authorized by the Board that it deemed appropriate and necessary in relation to the violations found in the previous order.
5. If the petition is denied either initially by staff or after presentation to the Board and the petitioner believes impossibility of compliance with the order has been sufficiently proven the petitioner may, as authorized by law, file a petition for a declaratory order pursuant to the provisions of T.C.A. § 4-5-223 and rule 1200-10-1-.11.

(a) Purpose. The purpose of this paragraph is to set out a schedule designating the minimum and maximum civil penalties which may be assessed pursuant to T.C.A. § 63-1-134.

(b) Schedule of civil penalties.

1. A "Type A" civil penalty may be imposed whenever the Board finds the person who is licensed, permitted, or authorized by the Board is guilty of a willful and knowing violation of statutes regarding the licensing of alcohol and drug abuse counselors, T.C.A. §§ 68-24-601, et seq. or rules promulgated pursuant thereto, to such an extent that there is, or is likely to be, an imminent, substantial threat to the health, safety and welfare of an individual patient or the public.
2. A "Type B" civil penalty may be imposed whenever the Board finds the person who is licensed, permitted, or authorized by the Board is guilty of a violation of statutes regarding the licensing of alcohol and drug abuse counselors, T.C.A. §§ 68-24-601, et seq. or rules promulgated pursuant thereto in such manner as to impact directly on the care of patients or the public.
3. A "Type C" civil penalty may be imposed whenever the Board finds the person who is licensed, permitted, or authorized by the Board is guilty of a violation of statutes regarding the licensing of alcohol and drug abuse counselors, T.C.A. §§ 68-24-601, et seq., or rules promulgated pursuant thereto, which are neither directly detrimental to the patients or the public, nor directly impact their care, but have only an indirect relationship to patient care or the public.

(c) Amount of civil penalties.

1. "Type A" civil penalties shall be assessed in the amount of not less than five hundred dollars (\$500) nor more than one thousand dollars (\$1000).
2. "Type B" civil penalties may be assessed in the amount of not less than one hundred dollars (\$100) nor more than five hundred dollars (\$500).

(Rule 1200-30-01-.15, continued)

3. "Type C" civil penalties may be assessed in the amount of not less than fifty dollars (\$50) nor more than one hundred dollars (\$100).
- (d) Procedures for assessing civil penalties.
1. The Division of Health Related Boards may initiate a civil penalty assessment by filing a Memorandum of Assessment of Civil Penalty. The Division shall state in the memorandum the facts and law upon which it relies in alleging a violation, the proposed amount of the civil penalty and the basis for such penalty. The Division of Health Related Boards may incorporate the Memorandum of Assessment of Civil Penalty with a Notice of Charges.
 2. Civil penalties may also be initiated and assessed by the Board during consideration of any Notice of Charges. In addition, the Board may, upon good cause shown, assess a type and amount of civil penalty which was not recommended by the Division of Health Related Boards.
 3. In assessing the civil penalties pursuant to these rules the Board may consider the following factors:
 - (i) Whether the amount imposed will be a substantial economic deterrent to the violator;
 - (ii) The circumstances leading to the violation;
 - (iii) The severity of the violation and the risk of harm to the public;
 - (iv) The economic benefits gained by the violator as a result of non-compliance; and
 - (v) The interest of the public.
 4. All proceedings for the assessment of civil penalties shall be governed by the Administrative Procedures Act, T.C.A. §§ 4-5-301, et seq.
- (6) Grounds for refusal to issue or renew or to suspend or revoke licenses or other disciplinary action - The Board may either refuse to issue or renew any license or may suspend or revoke or otherwise discipline any licensee for one (1) or more of the following reasons:
- (a) Making false statements or representations or being guilty of fraud or deceit in obtaining licensure, or being guilty of fraud or deceit in the practice of alcohol or other drugs of abuse counseling.

 - (j) Any other breach of the NAADAC Code of Ethics or these rules.
 - (k) When an applicant has had licensure disciplinary action taken or is under investigation by another state or territory of the United States or by any other entity assigned to the Division of Health Related Boards as provided in Rule 1200-10-1-.01(3) for any acts or omissions which would constitute grounds for discipline of a license issued by this Board. A certified copy of the initial or final order or other equivalent document memorializing the disciplinary action or investigation from the disciplining state, territory, or licensing authority shall constitute prima facie evidence of violation of this section and be sufficient grounds upon which to deny, restrict or condition licensure or renewal and/or discipline a license issued by this Board.
 - (l) When any applicant's application indicates a problem in the areas of mental, physical, moral or educational criteria for licensure or renewal which the Board determines may create a potential threat to the public health, safety or welfare.
- (7) The Board has the authority to:
- (a) Take appropriate disciplinary actions as the result of complaints received or investigations conducted.
- (8) Reconsiderations and Stays. The Board authorizes the member who chaired the Board for a contested case to be the agency member to make the decisions authorized pursuant to rule 1360-04-01-.18 regarding petitions for reconsiderations and stays in that case.

1200-30-01-.17 ADVERTISING.

- (1) Policy Statement. The lack of sophistication on the part of many of the public concerning alcohol and drug abuse counseling services, the importance of the interests affected by the choice of an alcohol and drug abuse counselor, and the foreseeable consequences of unrestricted advertising by alcohol and drug abuse counselors which is recognized to pose special possibilities for deception, require that special care be taken by alcohol and drug abuse counselors to avoid misleading the public. The alcohol and drug abuse counselor must be mindful that the benefits of advertising depend upon its reliability and accuracy. Since advertising by alcohol and drug abuse counselors is calculated and not spontaneous, reasonable regulation designed to foster compliance with appropriate standards serves the public interest without impeding the flow of useful, meaningful, and relevant information to the public.
- (2) Definitions
 - (a) Advertisement - Informational communication to the public in any manner designed to attract public attention to the practice of an alcohol and drug abuse counselor who is licensed to practice in Tennessee.
 - (b) Licensee - Any person holding a license to practice as a Licensed Alcohol and Drug Abuse Counselor in the State of Tennessee. Where applicable this shall include partnerships and/or corporations.

(Rule 1200-30-01-.17, continued)

- (c) Material Fact - Any fact which an ordinary reasonable and prudent person would need to know or rely upon in order to make an informed decision concerning the choice of practitioners to serve his or her particular needs.
- (3) Advertising Content. The following acts or omissions in the context of advertisement by any licensee shall constitute unethical conduct, and subject the licensee to disciplinary action pursuant to Rule 1200-30-01-.15:
- (a) Claims that the services performed, personnel employed, or office equipment used are professionally superior to that which is ordinarily performed, employed, or used, or that convey the message that one licensee is better than another when superiority of services, personnel, or equipment cannot be substantiated.
 - (b) The misleading use of an unearned degree.
 - (c) Promotion of professional services which the licensee knows or should know are beyond the licensee's ability to perform.
 - (d) Techniques of communication which intimidate, exert undue pressure or undue influence over a prospective client.
 - (e) Any appeals to an individual's anxiety in an excessive or unfair manner.
 - (f) The use of any personal testimonial attesting to a quality or competency of a service or treatment offered by a licensee that is not reasonably verifiable.
 - (g) Utilization of any statistical data or other information based on past performances for prediction of future services, which creates an unjustified expectation about results that the licensee can achieve.
 - (h) The communication of personal identifiable facts, data, or information about a client without first obtaining patient consent.
 - (i) Any misrepresentation of a material fact.
 - (j) The knowing suppression, omission or concealment of any material fact or law without which the advertisement would be deceptive or misleading.
 - (k) Misrepresentation of credentials, training, experience, or ability.
 - (l) Failure to include the corporation, partnership or individual name, address, and telephone number of licensees in any advertisement. Any corporation, partnership or association which advertises by use of a trade name or otherwise fails to list all licensees practicing at a particular location shall:
 - 1. Upon request provide a list of all licensees practicing at that location; and
 - 2. Maintain and conspicuously display a directory listing all licensees practicing at that location.
 - (m) Failure to disclose the fact of giving compensation or anything of value to representatives of the press, radio, television or other communicative medium in anticipation of or in return for any advertisement (for example, newspaper article)

(Rule 1200-30-01-.17, continued)

unless the nature, format or medium of such advertisement makes the fact of compensation apparent.

- (n) After thirty (30) days of the licensee's departure, the use of the name of any licensee formerly practicing at or associated with any advertised location or on office signs or buildings. This rule shall not apply in the case of a retired or deceased former associate who practiced in association with one or more of the present occupants if the status of the former associate is disclosed in any advertisement or sign.
 - (o) Stating or implying that a certain licensee provides all services when any such services are performed by another licensee.
 - (p) Directly or indirectly offering, giving, receiving, or agreeing to receive any fee or other consideration to or from a third party for the referral of a client in connection with the performance of professional services.
 - (q) Making false, deceptive, misleading or fraudulent statements regarding fees.
- (4) Advertising Records and Responsibility
- (a) Each licensee who is a principal partner, or officer of a firm or entity identified in any advertisement, is jointly and severally responsible for the form and content of any advertisement. This provision shall also include any licensed or certified professional employees acting as an agent of such firm or entity.
 - (b) Any and all advertisements are presumed to have been approved by the licensee named therein.
 - (c) A recording of every advertisement communicated by electronic media, and a copy of every advertisement communicated by print media, and a copy of any other form of advertisement shall be retained by the licensee for a period of two (2) years from the last date of broadcast or publication and be made available for review upon request by the Board or its designee.
 - (d) At the time any type of advertisement is placed, the licensee must possess and rely upon information which, when produced, would substantiate the truthfulness of any assertion, omission or representation of material fact set forth in the advertisement or public communication.
- (5) Use of Titles - Any person who possesses a valid, current and active license issued by the Board that has not been suspended or revoked has the right to use the title "Licensed Alcohol and Drug Abuse Counselor" and to practice alcohol and drug abuse counseling, as described in T.C.A. §§ 68-24-608 and 68-24-609. Any person licensed by the Board to whom this rule applies must use the title authorized by this rule in "advertising" [as that term is defined in rule 1200-30-01-.01(1)] he or she publishes or the failure to do so will constitute an omission of a material fact which makes the advertisement misleading and deceptive and subjects the licensed alcohol and drug abuse counselor to disciplinary action pursuant to rule 1200-30-01-.15.
- (6) Advertising Conduct
- (a) Licensees who engage others to create or place public statements that promote their professional practice, products, or activities retain professional responsibility for such statements.

(Rule 1200-30-01-.17, continued)

- (b) If licensees learn of deceptive statements about their work made by others, licensees must make reasonable efforts to correct such statements.
 - (c) Licensees do not compensate employees of press, radio, television or other communication media in return for publicity in a news item.
