Commission staff may make reasonable exceptions for narrow purpose, highly structured programs at multiple locations where administrative requirements are limited and precise.
 - (c) Initial authorization may be granted for up to four (4) years, unless otherwise determined by the Executive Director or the Commission. Institutions with a four (4) year initial authorization term shall submit Certifications of Compliance as provided for in these rules in years one (1), two (2), and three (3) and a Reauthorization Application as provided for in these rules in year four (4).
 - (d) Commission staff will review an Initial Authorization Application and, upon finding that the application demonstrates that the institution complies with all requisite standards, recommend that the Executive Director grant the institution provisional initial authorization. Provisional initial authorization shall list any limitations as to time, procedures, functions, or other conditions as deemed necessary and be subject to review and ratification by the Commission.
 - (e) The Commission is not required to authorize an institution, if, in its judgment:

 - (c) Commission staff will review a Reauthorization Application and, upon finding that the application demonstrates that the institution complies with all requisite standards, grant reauthorization for four (4) years, unless a shorter term is determined to be appropriate by the Executive Director or Commission. In the event that the Reauthorization Application fails to demonstrate that the institution complies with all requisite standards, Commission staff shall defer the application by providing written notice of the deficiencies to the applicant and providing applicant two (2) opportunities to correct the deficiencies. Following the second failed attempt to correct deficiencies, Commission staff will recommend that the Executive Director take adverse action, including but not limited to assessing a fine, placing the institution on conditional authorization status or revoking authorization.

- (a) Authorization must be issued to the owner or governing body of the applicant institution and is nontransferable.

(Rule 1540-01-02-.07, continued)

- (b) A change of ownership occurs when a transaction results in the controlling interest in the postsecondary educational institution changing from an authorized owner to an unauthorized owner. In the event of a change of ownership, the new owner must submit to Commission staff within five (5) business days after the change in ownership is finalized:
 - 1. A Change of Ownership Application and
 - 2. A request that the Executive Director grant the new owner conditional authorization until the new owner obtains provisional initial authorization.

Following the second failed attempt to correct deficiencies, the application will be denied and the closure process described in Rule .23(b) of these rules will commence.
- (5) Program Registration Request:
- (a) In order to offer a program, an institution must submit a Program Registration Request either along with an Initial Authorization Application or, for previously authorized institutions, as a stand-alone application. Program registration is required prior to offering the program, which includes enrolling, advertising, recruiting or soliciting. Program Registration Requests shall be filed in the prescribed format and may be filed at any time.

(Rule 1540-01-02-.07, continued)

employment in or licensure by the state; and the institution has articulation and transfer of credit agreements with two (2) regionally accredited institutions both having a physical location in the Southeast region or

- (ii) Special or unique circumstances;
3. If applicable, evidence of approval from any subject matter expert state agency, board, or commission;
 4. A program overview;
 5. A job title and the associated Classification of Institutional Programs (CIP) code applicable to the job title;

Institutions may revise programs as follows:
1. When an institution revises a registered program, by more than twenty-five percent (25%) in the last twelve (12) months or by changing the program delivery

(Rule 1540-01-02-.07, continued)

mode, name, or credential, then the institution must reregister the program by submitting a Program Registration Request at least thirty (30) calendar days prior to implementing the revision. When calculating twenty-five percent (25%) in the last twelve (12) months, all revisions made to quantifiable program elements in the last twelve (12) months should be totaled. For example, if in the last twelve (12) months, the institution raises tuition by five percent (5%) and adds ten percent (10%) to the program length, then the institution has revised the program by a total of fifteen percent (15%). If within twelve (12) months of these revisions, the institution raises other fees by fifteen percent (15%), then the total of the revisions in the last twelve (12) months is now thirty percent (30%) and the institution must reregister the program by submitting a Program Registration Request.

2. In all other instances, an institution may revise a program at its discretion and report the revisions to Commission staff when completing the annual Reauthorization Application or Certification of Compliance.
- (d) Institutions shall not arbitrarily add a course to an existing program in which a student would incur additional time or expense beyond the catalog requirements at the time of enrollment, unless the addition is in response to:
1. State approval agency requirements;
 2. U.S. Department of Education recognized accreditor requirements; or
 3. Professional licensure requirements.

In any event, the institution shall give adequate notice to all students affected prior to any change.

- (e) Commission staff will review a Program Registration Request and, upon finding that the registration demonstrates that the institution complies with all requisite standards, register the program by including it or revising it in the postsecondary program inventory. In the event that the Program Registration Request fails to demonstrate that the institution complies with all requisite standards, Commission staff shall defer the registration by providing written notice of the deficiencies to the applicant and providing applicant two (2) opportunities to correct the deficiencies. Following the second failed attempt to correct deficiencies, the program registration will be denied.
- (6) Change of Location Application:
- (a) Absent extraordinary circumstances, an authorized institution shall submit a Change of Location Application thirty (30) calendar days prior to moving. An example of an extraordinary circumstance is the unexpected loss of a lease.
 - (b) The Change of Location Application shall include at a minimum:
 1. The address and general description of facilities such that a determination can be made that the institution has adequate space, equipment, and instructional material;
 2. Evidence demonstrating that the location meets the definition of location as provided for in these rules and that possession of the location is stable such that the institution will be able to use the location for a minimum of one (1) year from the date of application. Month-to-month leases are not acceptable;

(Rule 1540-01-02-.07, continued)

3. Affirmation that the institution is maintained and operated in compliance with all pertinent ordinances and laws including, but not limited to, rules and regulations adopted pursuant to ordinances and laws, relative to zoning and the safety and health of all persons upon the premises; and
 4. Such other information or clarification deemed necessary by Commission staff.
- (c) Commission staff will review a Change of Location Application and conduct a site visit, if Commission staff determines a site visit is necessary. Upon finding that the application and site visit, if necessary, demonstrate that the institution complies with all requisite standards, Commission staff will grant the change of location. In the event that the Change of Location Application fails to demonstrate that the institution complies with all requisite standards, Commission staff shall defer the application by providing written notice of the deficiencies to the applicant and providing applicant two (2) opportunities to correct the deficiencies. Following the second failed attempt to correct deficiencies, Commission staff will recommend that the Executive Director take adverse action, including but not limited to assessing a fine, placing the institution on conditional authorization status or revoking authorization.
- (d) If a move is beyond ten (10) miles and a student is prevented from completing the training at the new location, a full refund of all moneys paid and a release from all obligations will be given to the student or loan holder.
- (7) School Personnel Application:
- (a) Authorized institutions must provide and maintain qualified faculty and staff in order to fulfill the mission of the institution and all obligations to the students. Institutional director qualifications must be submitted to Commission staff on a School Personnel Application no later than ten (10) business days after the hire date.
 - (b) Administrative personnel are individuals that oversee areas as outlined in operational and administrative standards. This includes by function, but is not limited to titles of an institutional director; financial aid administrator; director of admissions; director of education; business officer or manager; director of student services (including counseling and placement) and the registrar. Support and clerical staff is not included as administrative personnel.
 - (c) Commission staff will review a School Personnel Application and, upon finding that the qualifications of the institutional director meet all requisite standards, approve the application. In the event that the School Personnel Application fails to demonstrate that the qualifications of institutional director meet all requisite standards, Commission staff shall defer the application by providing written notice of the deficiencies to the applicant and providing applicant two (2) opportunities to correct the deficiencies. Following the second failed attempt to correct deficiencies, the application will be denied.
- (8) Institution Name Change Application:
- (a) An authorized institution shall submit an Institution Name Change Application thirty (30) calendar days prior to changing the institution's name unless the name change is the result of a change of ownership. In the case of a change of ownership, the authorized institution shall submit a Change of Ownership Application.
 - (b) The Institution Name Change Application shall include at a minimum:

(Rule 1540-01-02-.07, continued)

1. Updated contact information;
 2. A proposed new name of the institution that is compliant with these rules;
 3. Updated surety bond information;
 4. An updated copy of the pre-enrollment checklist, enrollment agreement, and catalog; and
 5. Such other information or clarification deemed necessary by Commission staff.
- (c) Commission staff will review an Institution Name Change Application and, upon finding that the application demonstrates that the institution complies with all requisite standards, Commission staff will grant the change of name. In the event that the Institution Name Change Application fails to demonstrate that the institution complies with all requisite standards, Commission staff shall defer the application by providing written notice of the deficiencies to the applicant and providing applicant two (2) opportunities to correct the deficiencies. Following the second failed attempt to correct deficiencies, the application will be denied.
- (9) Certification of Compliance:
- (a) Annually during the authorization term, institutions with regular or conditional authorization shall file a Certification of Compliance by a due date to be established by Commission staff and posted on the Commission's website.
 - (b) The Certification of Compliance shall require at a minimum that the institution self-certify that it is engaged in activities and operations in compliance with the Act and these rules, the institution provide an updated comprehensive program list, and the certification must be signed by the institutional director and, if other than the institutional director, the owner or a representative thereof.
 - (c) Commission staff will review a Certification of Compliance and, upon finding that the certification demonstrates that the institution complies with all requisite standards, notify the institution of such. In the event that the Certification of Compliance fails to demonstrate that the institution complies with all requisite standards, Commission staff shall defer the Certification of Compliance by providing written notice of the deficiencies to the institution and providing the institution two (2) opportunities to correct the deficiencies. Following the second failed attempt to correct deficiencies, Commission staff will recommend that the Executive Director take adverse action, including but not limited to assessing a fine, placing the institution on conditional authorization status or revoking authorization.
- (10) Exemption Determination Request:
- (a) The Exemption Determination Request may include at a minimum:
 1. Full contact information for the requestor;
 2. The statutory or rule citation justifying exemption;

4. Documentation supporting the requested exemption such as: copies of all institutional materials; brochures; advertising; state charter or business license; or organizational ties and/or contracts with other educational providers; and
 5. Such other information or clarification deemed necessary by Commission staff.
- (b) Commission staff will review an Exemption Determination Request and, upon finding that the exemption as requested is justified by statute or rule, notify the institution of such. In the event that Commission staff requires additional information, Commission staff shall defer the Exemption Determination Request by requesting such information and providing the institution two (2) opportunities to correct the deficiencies. Following the second failed attempt to correct deficiencies, the Exemption Determination Request will be denied.
