Regulatory Flexibility Addendum

Pursuant to Public Chapter 464 of the 105th General Assembly, prior to initiating the rule making process as described in § 4-5-202(a)(3) and § 4-5-202(a), all agencies shall conduct a review of whether a proposed rule or rule affects small businesses.

Economic Impact Statement

1. Types of small businesses directly affected:
These new rules would not impact small businesses as they impose no new requirements on business owners and any requirement required is mandated by statute.
2. Projected reporting, recordkeeping and other administrative costs:
There are no projected administrative costs as a result of these new rules.
3. Probable effect on small businesses:
There is no expected adverse impact on small business as a result of these new rules.
4. Less burdensome, intrusive or costly measures:
There are no alternative means available to accomplish these objectives. These changes could all be considered "housekeeping" or "clarifying of existing statute(s)" in nature.
5. Comparison with federal and state counterparts:
The promulgation of these rules is similar to the practice of the federal government and other states.
6. Effect of possible exemption of small businesses:
There is no expected exemption of small businesses as a result of these new rules or the effect thereof.
