Amendment

Chapter 1660-01-02
Migratory Bird Hunting

Rule 1660-01-02-.02(2)(d), West Sandy Wildlife Management Area, is amended by adding the following new paragraph:

17. Safety concerns require that the Tennessee Valley Authority (TVA) conduct repairs and maintenance to levee and pump house infrastructures that may create water levels incompatible for waterfowl hunting during the 2012-13, 2013-14 and possibly the 2014-15 waterfowl seasons. During this time, the Executive Director shall have the discretion to deem those permanent registered blind sites duly registered during the period of maintenance and repair by TVA while suspending the registration and all other annual requirements of this rule. Further, the Executive Director shall have the discretion to allow those permanent registered blind site holders to compete for or sign on any other Tennessee Wildlife Resources Agency blind sites in the state. Waterfowl blind drawings at this location will be suspended when TVA repair work creates conditions incompatible for waterfowl hunting.
