Amendments to Rule 0400-15-01-.13 List of Inactive Hazardous Substance Sites are required by Tenn. Code Ann. § 68-212-206(e) and are promulgated under the authority of Tenn. Code Ann. § 68-212-215(e).

- (C)** Identification of persons, organizations, corporations or governmental entities most directly affected by this rule, and whether those persons, organizations, corporations or governmental entities urge adoption or rejection of this rule;

This proposed rule adds the former Custom Cleaners site, located in Memphis, Shelby County, Tennessee, to the List of Inactive Hazardous Substance Sites. There were no comments received during the public comment period.

- (D)** Identification of any opinions of the attorney general and reporter or any judicial ruling that directly relates to the rule;

The Department is not aware of any opinions or judicial rulings that directly relate to this rule.

- (E)** An estimate of the probable increase or decrease in state and local government revenues and expenditures, if any, resulting from the promulgation of this rule, and assumptions and reasoning upon which the estimate is based. An agency shall not state that the fiscal impact is minimal if the fiscal impact is more than two percent (2%) of the agency's annual budget or five hundred thousand dollars (\$500,000), whichever is less;

There will be no increase or decrease in state or local government revenue or expenditures resulting from the promulgation of the rule.

- (F)** Identification of the appropriate agency representative or representatives, possessing substantial knowledge and understanding of the rule;
