Additional Information Required by Joint Government Operations Committee

All agencies, upon filing a rule, must also submit the following pursuant to T.C.A. § 4-5-226(i)(1).

A brief summary of the rule and a description of all relevant changes in previous regulations effectuated by such rule;

The Board of Podiatric Medical Examiners is amending Rule 1155-04-.12 by increasing the number of virtual continuing education hours allowed annually for orthotists, prosthetists, and pedorthists from five (5) hours to seven (7) hours. These licensees will still be required to obtain a total of fifteen (15) continuing education hours annually, but after this rule amendment becomes effective, only eight (8) hours will be required to be obtained in-person.

Rule 1155-04-.12 is also being amended to change an incorrect reference at the end of paragraph (1) from 1155-02-.12(1)(e) to 1155-02-.12(1)(d).

A citation to and brief description of any federal law or regulation or any state law or regulation mandating promulgation of such rule or establishing guidelines relevant thereto;

Tenn. Code Ann. § 63-3-202(a) provides the Board with authority to adopt rules and regulations to delineate the actions of licenses relative to orthotists, prosthetists, and pedorthists. Specifically, Tenn. Code Ann. § 63-3-202(a)(8) grants the Board authority to establish continuing education requirements for license holders. This rule amendment will increase the amount of continuing education hours that may be obtained virtually by two (2) hours. Thus, this rule falls within the scope of Tenn. Code Ann. § 63-3-202(a)(8) because the rule sets forth continuing education requirements.

Identification of persons, organizations, corporations or governmental entities most directly affected by this rule, and whether those persons, organizations, corporations or governmental entities urge adoption or rejection of this rule;

This rule will affect licensed orthotists, prosthetists, and pedorthists.

Identification of any opinions of the attorney general and reporter or any judicial ruling that directly relates to the rule or the necessity to promulgate the rule;

None.

An estimate of the probable increase or decrease in state and local government revenues and expenditures, if any, resulting from the promulgation of this rule, and assumptions and reasoning upon which the estimate is based. An agency shall not state that the fiscal impact is minimal if the fiscal impact is more than two percent (2%) of the agency's annual budget or five hundred thousand dollars (\$500,000), whichever is less;

These rules should not impact revenues or expenditures.

Identification of the appropriate agency representative or representatives, possessing substantial knowledge and understanding of the rule;

Ashley L. Fine, Senior Associate Counsel, Department of Health.

Identification of the appropriate agency representative or representatives who will explain the rule at scheduled meeting of the committees;

Ashley L. Fine, Senior Associate Counsel, Department of Health.

Office address, telephone number, and email address of the agency representative or representatives who will explain the rule at a scheduled meeting of the committees; and

Department of Health, Office of General Counsel, 665 Mainstream Drive, 2nd Floor, Nashville, TN 37243, 615-741-1611, Ashley.L.Fine@tn.gov.

Any additional information relevant to the rule proposed for continuation that the committee requests;

None.
