Pursuant to T.C.A. §§ 4-5-401 through 4-5-404, prior to initiating the rule making process as described in T.C.A. § 4-5-202(a)(3) and T.C.A. § 4-5-202(a), all agencies shall conduct a review of whether a proposed rule or rule affects small businesses.

3. A statement of the probable effect on impacted small businesses and consumers: These rules should not have any impact on consumers or small businesses.
4. A description of any less burdensome, less intrusive or less costly alternative methods of achieving the purpose and objectives of the proposed rule that may exist, and to what extent the alternative means might be less burdensome to small business: There are no less burdensome methods to achieve the purposes and objectives of these rules.
5. Comparison of the proposed rule with any federal or state counterparts: None.
6. Analysis of the effect of the possible exemption of small businesses from all or any part of the requirements contained in the proposed rule: None.

### **Impact on Local Governments**

Pursuant to T.C.A. §§ 4-5-220 and 4-5-228 "any rule proposed to be promulgated shall state in a simple declarative sentence, without additional comments on the merits of the policy of the rules or regulation, whether the rule or regulation may have a projected impact on local governments." (See Public Chapter Number 1070 (<http://state.tn.us/sos/acts/106/pub/pc1070.pdf>) of the 2010 Session of the General Assembly)

This proposed rule will have little, if any, impact on these entities.

**Additional Information Required by Joint Government Operations Committee**

All agencies, upon filing a rule, must also submit the following pursuant to T.C.A. § 4-5-226(i)(1).

- (A) A brief summary of the rule and a description of all relevant changes in previous regulations effectuated by such rule;

The change to rule will allow the Division's Medical Director to issue a utilization review appeal determination without the necessity of the issuance of an order from a Workers' Compensation Specialist. The role of the Workers' Compensation Specialist was eliminated from the workers' compensation law governing work injuries suffered on or after July 1, 2014, as a part of the Reform Act of 2013.

- (B) A citation to and brief description of any federal law or regulation or any state law or regulation mandating promulgation of such rule or establishing guidelines relevant thereto;

This change is made for the purpose of allowing the Medical Director to issue a determination without the necessity of a corresponding Specialist's Order during the Division's utilization review process. There is no law or regulation mandating the promulgation of this rule.

- (C) Identification of persons, organizations, corporations or governmental entities most directly affected by this rule, and whether those persons, organizations, corporations or governmental entities urge adoption or rejection of this rule;

All parties to a workers' compensation claim will be affected by this amendment, so that the Medical Director can issue the Division's utilization review determination without the necessity of a Specialist's Order. No entity has urged adoption or rejection of these rules.

Identification of any opinions of the attorney general and reporter or any judicial ruling that directly relates to the rule;

None

- (D) An estimate of the probable increase or decrease in state and local government revenues and expenditures, if any, resulting from the promulgation of this rule, and assumptions and reasoning upon which the estimate is based. An agency shall not state that the fiscal impact is minimal if the fiscal impact is more than two percent (2%) of the agency's annual budget or five hundred thousand dollars (\$500,000), whichever is less;

The effect of the rule change will be negligible.

- (E) Identification of the appropriate agency representative or representatives, possessing substantial knowledge and understanding of the rule;

Troy Haley, Administrative Attorney and Legislative Liaison

- (F) Identification of the appropriate agency representative or representatives who will explain the rule at a scheduled meeting of the committees;
