General Rules

Amendments

Subparagraph (c) of paragraph (3) of rule 1200-13-01-.06 Provider Reimbursement is deleted in its entirety and replaced with a new subparagraph (c) which shall read as follows:

- (c) Effective on the approved effective date of the State Plan Amendment approved by the Centers for Medicare and Medicaid Services for certified public expenditures, and subject to the availability of funds, certifying public facilities will be reimbursed based on Medicaid Level II allowable costs, plus the bed tax pass through.
 - 1. An interim Medicaid Level II per diem rate will be established for each certifying public facility as provided in paragraph (3)(a) above. In addition to the interim Medicaid Level II per diem rate, eligible certifying public facilities will receive supplemental payments from a pool of funds determined by the state, subject to the availability of funds. The supplemental payment will be added to the certifying public facility's interim Medicaid Level II per diem rate and will not exceed the difference between the interim Medicaid Level II per diem rate and the facility's per patient day Medicaid Level II allowable costs, plus the bed tax pass through, during the payment period as determined by the Comptrollers Office.
 - 2. After the Medicaid Nursing Facility Level II cost report covering the payment period has been reviewed by the Comptrollers Office, the amount paid to the certifying public facility through the interim Medicaid Level II per diem rate will be reconciled to the facility's actual Medicaid Level II allowable costs, plus the bed tax pass through. The difference between the final Medicaid Level II allowable costs, plus the bed tax pass through, and the amount paid to the facility through the interim Medicaid Level II per diem rate will be reflected in an adjustment to claims paid during the payment period.
 - 3. Certifying public facilities with an interim Medicaid Level II per diem rate that is less than the Medicaid Level II rate ceiling in effect during the payment period will not be eligible for supplemental payments and will not be subject to claim adjustments as described in part 2. above.
