Statement of Necessity:

Pursuant to T.C.A. § 4-5-208, the Bureau of TennCare is authorized to adopt emergency rules in the event that the agency is required by enactment of the general assembly to implement rules within a prescribed period of time that precludes utilization of rulemaking procedures for promulgation of permanent rules.

The Appropriations Act, Public Chapter 473, effective July 1, 2011, requires the Bureau of TennCare to reduce expenditures for certain sedative hypnotic and opioid detoxification drugs through imposition of quantity and dosage limitations.

I have made the finding that the attached amendment is required by the above-referenced enactment of the general assembly, and the timely implementation of this amendment as mandated precludes promulgation through ordinary rulemaking procedures.

For a copy of this emergency rule contact: George Woods at the Bureau of TennCare by mail at 310 Great Circle Road, Nashville, Tennessee 37243 or by telephone at (615) 507-6446.
