Statement of Necessity Requiring Public Necessity Rules

I am herewith submitting amendments to the rules of the Tennessee Department of Finance and Administration, Bureau of TennCare, for promulgation pursuant to the public necessity provisions of the Uniform Administrative Procedures Act, T.C.A. § 4-5-209.

Pursuant to T.C.A. Section 4-5-209(a)(3), the Commissioner is authorized to promulgate public necessity rules and regulations when these rules are required by an agency of the federal government and adoption of the rules through ordinary rulemaking procedures described in this Chapter might jeopardize the loss of a federal program or funds.

Non-compliance with federal Freedom of Choice requirements set forth at Section 1902(a)(23) of the Social Security Act has resulted in the termination of the ADAPT Home and Community Based Services (HCBS) Waiver (control number 0248.90.R1.01) operated solely in Davidson, Hamilton and Knox Counties, effective August 14, 2007. To continue operation of the ADAPT Waiver Program in the absence of CMS approval would mean the loss of federal funds that go with such approved waiver for the provision of HCBS to these enrollees. In order to prevent the loss of federal funds, the Bureau of TennCare hereby proceeds pursuant to T.C.A Sections 71-5-134 and 4-5-209(a)(3) to adopt these public necessity rules. Transition of all ADAPT enrollees into the Statewide Elderly and Disabled Waiver Program has been completed and will ensure continuity of care with Federal Financial Participation (FFP) for HCBS provided through the Statewide Waiver Program to affected enrollees.

For a copy of this public necessity rule, contact George Woods at the Bureau of TennCare by mail at 310 Great Circle Road, Nashville, Tennessee 37243 or by telephone at (615) 507-6446.
