Statement of Necessity:
TennCare received approval from the Centers for Medicare and Medicaid Services (CMS), for State Plan Amendment (SPA) Transmittal Number 10-003, effective retroactively to March 17, 2010. The SPA establishes the payment methodology for payment of inpatient hospital services provided by non-Participating Providers. Specifically, such admissions must be required as a result of the need for and provision of emergency outpatient services provided by the non-Participating Provider hospitals to which a TennCare enrollee is admitted.

T.C.A. § 4-5-208(a)(4) permits an agency to adopt an emergency rule when it is required by an agency of the federal government and the adoption of the rule through ordinary rulemaking procedure might jeopardize the loss of federal funds.

For a copy of this emergency rule, contact George Woods at the Bureau of TennCare by mail at 310 Great Circle Road, Nashville, Tennessee 37243 or by telephone at (615) 507-6446.

RE: State Plan Amendment 10-003

Dear Mr. Gordon:

We have reviewed the proposed amendment to Attachment 4.19-A of your Medicaid State plan submitted under transmittal number 10-003. Effective March 17, 2010 this amendment modifies the State’s reimbursement methodology for setting payment rates for inpatient hospital services. Specifically, the State proposes to establish the payment methodology for payment of inpatient hospital services admissions required as a result of emergency outpatient services, when provided by non-contract hospitals. The rates will be established at 57% of the Medicare DRG rates in effect in 2008 or any new Medicare DRG rates established after 2008.

We conducted our review of your submittal according to the statutory requirements at sections 1902(a)(13), 1902(a)(30), 1903(a), 1923, and 1932(b)(2)(C) of the Social Security Act and the implementing Federal regulations at 42 CFR Part 447. We have found that the proposed changes in payment methodology comply with applicable requirements and therefore have approved them with an effective date of March 17, 2010. We are enclosing the CMS-179 and the amended approved plan pages.

If you have any questions, please call Stanley Fields at (502) 223-5332 or Venesa Day at 410-786-8281.

Sincerely

Cindy Mann  
Director, CMCS
