Subparagraph (c) of Paragraph (2) of Rule 1200-13-13-.03 Enrollment, Reassignment, and Disenrollment with Managed Care Contractors (MCCs) is amended by naming the title of subparagraph (c) as "Members receiving long-term services and supports.", by numbering the current content as Part 1, and adding a new Part 2 so as amended Subparagraph (c) shall read as follows:

(c) Members receiving long-term services and supports.

1. In the event that a CHOICES member is determined, based on an assessment of needs, to require a long-term care service that is not currently available under the MCO in which he is currently enrolled, but that is available through another MCO, the Bureau shall work with the current MCO to arrange for provision of the required service, which may involve providing such service out-of-network. It shall be considered to be a hardship reason to change MCO assignment only if the current MCO, after working with the Bureau, is unable to provide the required service. In such cases, the MCO that is unable to provide the required service after working with the Bureau may be subject to sanctions.

2. A CHOICES or ECF CHOICES member may request and shall have cause to change MCO assignment if all of the following are met:

   (i) The member receives institutional, residential, or employment support services in the MLTSS program in which he is enrolled;

   (ii) The member’s institutional, residential, or employment support services provider has stopped participating in the member’s MCO network and has refused continuation of care to the member in his current MCO assignment;

   (iii) The member’s current MCO has been unable to negotiate continued services for the member with the current provider;

   (iv) The member would have to change his residential, institutional, or employment supports provider based on that provider’s change in status from an in-network to an out-of-network provider with the MCO;

   (v) As a result, the member would experience a disruption in his residence or employment;

   (vi) The current institutional, residential, or employment support services provider is in the network of one or more alternative MCOs; and

   (vii) The alternative MCO the member has selected is available to enroll members (i.e., has not given notice of withdrawal from the TennCare Program, is not in receivership, and is not at member capacity for the member’s region).

The introductory sentence to Part 29 of Subparagraph (b) of Paragraph (3) of Rule 1200-13-13-.10 Exclusions is amended by capitalizing the "R" in "rule" and deleting the "12." at the end of "1200-13-13-.10(3)(a)12." and replacing it with "10)," so as amended the introductory sentence shall read as follows:
