0780-01-63-.09 Asset or Reduction From Liability for  
SS-7037 (December 2015)

0780-01-63-.01 Authority.

This chapter is promulgated pursuant to the authority granted by T.C.A. §§ 56-2-208(b)(6), 56-2-209(e), and 56-2-301.

Authority: T.C.A. §§ 56-2-208(b)(6), 56-2-209(e), and 56-2-301.

0780-01-63-.02 Purpose.

The purpose of this chapter is to set forth rules and procedural requirements that the commissioner deems necessary to carry out the provisions of T.C.A. §§ 56-2-208 and 56-2-209. The actions and information required by this chapter are hereby declared to be necessary and appropriate in the public interest and for the protection of the ceding insurers and policyholders in this state.

Authority: T.C.A. §§ 56-2-208, 56-2-209(e), and 56-2-301.

0780-01-63-.03 Credit for Reinsurance – Reinsurer Licensed in this State.

Pursuant to T.C.A. § 56-2-208(b)(2), the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that was licensed in this state as of any date on which statutory financial statement credit for reinsurance is claimed.

Authority: T.C.A. §§ 56-2-208(b)(2), 56-2-209(e), and 56-2-301.

0780-01-63-.04 Credit for Reinsurance – Accredited Reinsurers.

- (1) Pursuant to T.C.A. § 56-2-208(b)(3), the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that is accredited as a reinsurer in this state as of the date on which statutory financial statement credit for reinsurance is claimed. An accredited reinsurer must:
  - (a) File with the commissioner a properly executed Form AR-1 (adopted as Appendix A of this chapter and incorporated herein by reference) as evidence of its submission to this state's jurisdiction and to this state's authority to examine its books and records; and
  - (b) File with the commissioner a certified copy of a certificate of authority or other acceptable evidence that it is licensed to transact insurance or reinsurance in at least one state, or, in the case of a United States branch of an alien assuming insurer, is entered through and licensed to transact insurance or reinsurance in at least one state; and
  - (c) File annually with the commissioner a copy of its annual statement filed with the insurance department of its state of domicile or, in the case of an alien assuming insurer, with the state through which it is entered and in which it is licensed to transact insurance or reinsurance, and a copy of its most recent audited financial statement; and
  - (d) Maintain a surplus as regards policyholders in an amount not less than twenty million dollars (\$20,000,000), or obtain affirmative approval of the commissioner upon a finding that it has adequate financial capacity to meet its reinsurance obligations and is otherwise qualified to assume reinsurance from domestic insurers.
- (2) If the commissioner determines that the assuming insurer has failed to meet or maintain any of these qualifications, the commissioner may upon written notice and opportunity for hearing pursuant to the Uniform Administrative Procedures Act, T.C.A. § 4-5-101 et seq., suspend or revoke the accreditation. Credit shall not be allowed a domestic ceding

insurer under this chapter if the assuming insurer's accreditation has been revoked by the commissioner, or if the reinsurance was ceded while the assuming insurer's accreditation was under suspension by the commissioner.

Authority: T.C.A. §§ 56-2-208(b)(3), 56-2-209(e) and 56-2-301.

0780-01-63-.05 Credit for Reinsurance – Reinsurer Domiciled and Licensed in Another State.

- (1) Pursuant to T.C.A. § 56-2-208(b)(4) the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer that as of any date on which statutory financial statement credit for reinsurance is claimed:
  - (a) Is domiciled in (or, in the case of a United States branch of an alien assuming insurer, is entered through) a state that employs standards regarding credit for reinsurance substantially similar to those applicable under T.C.A. §§ 56-2-208 and 56-2-209 and this chapter;
  - (b) Maintains a surplus as regards policyholders in an amount not less than twenty million dollars (\$20,000,000); and
  - (c) Files a properly executed Form AR-1 (Appendix A of this chapter) with the commissioner as evidence of its submission to this state's authority to examine its books and records.
- (2) The provisions of this rule relating to surplus as regards policyholders shall not apply to reinsurance ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system. As used in this rule, "substantially similar" standards means credit for reinsurance standards that the commissioner determines in the commissioner's sole discretion to equal or exceed the standards of T.C.A. §§ 56-2-208 and 56-2-209 and this chapter.

Authority: T.C.A. §§ 56-2-208, 56-2-209 and 56-2-301.

0780-01-63-.06 Credit for Reinsurance – Reinsurers Maintaining Trust Funds.

- (1) Pursuant to T.C.A. § 56-2-208(b)(5), the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer which, as of any date on which statutory financial statement credit for reinsurance is claimed, and thereafter for so long as credit for reinsurance is claimed, maintains a trust fund in an amount prescribed below in a qualified United States financial institution as defined in T.C.A. § 56-2-209(d), for the payment of the valid claims of its United States domiciled ceding insurers, their assigns and successors in interest. The assuming insurer shall report annually to the commissioner substantially the same information as that required to be reported on the National Association of Insurance Commissioners annual statement form by licensed insurers, to enable the commissioner to determine the sufficiency of the trust fund.
- (2) The following requirements apply to the following categories of assuming insurer:
  - (a) The trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to reinsurance ceded by United States domiciled insurers, and in addition, the assuming insurer shall maintain a trustee surplus of not less than twenty million dollars (\$20,000,000), except as provided in subparagraph (b) of this paragraph.
  - (b) At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three (3) full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trustee surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders and claimants in light of

reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trusteed surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.

- (c)
  - 1. The trust fund for a group including incorporated and individual unincorporated underwriters shall consist of:
    - (i) For reinsurance ceded under reinsurance with an inception, amendment or renewal date on or after January 1, 1993, funds in trust in an amount not less than the respective underwriters' several liabilities attributable to business ceded by United States domiciled ceding insurers to any underwriter of the group;
    - (ii) For reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this chapter, funds in trust in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States; and
    - (iii) In addition to these trusts, the group shall maintain a trusteed surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of the United States ceding insurers of any member of the group for all the years of the account.
  - 2. The incorporated members of the group shall not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members. The group shall, within ninety (90) days after its financial statements are due to be filed with the group's domiciliary regulator, provide to the commissioner:
    - (i) An annual certification by the group's domiciliary regulator of the solvency of each underwriter member of the group; or
    - (ii) If a certification is unavailable, a financial statement, prepared by independent public accountants, of each underwriter member of the group.
- (d)
  - 1. The trust fund for a group of incorporated insurers under common administration, whose members possess aggregate policyholders surplus of ten billion dollars (\$10,000,000,000) (calculated and reported in substantially the same manner as prescribed by the annual statement instructions and Accounting Practices and Procedures Manual of the National Association of Insurance Commissioners) and which has continuously transacted an insurance business outside the United States for at least three (3) years immediately prior to making application for accreditation, shall:
    - (i) Consist of funds in trust in an amount not less than the assuming insurers' several liabilities attributable to business ceded by United States domiciled ceding insurers to any members of the

group pursuant to reinsurance contracts issued in the name of such group;

(ii) Maintain a joint trusteed surplus of which one hundred million dollars (\$100,000,000) shall be held jointly for the benefit of United States domiciled ceding insurers of any member of the group; and

(iii) File with the commissioner a properly executed Form AR-1 (Appendix A of this chapter) as evidence of the submission to this state's authority to examine the books and records of any of its members and shall certify that any member examined will bear the expense of any such examination.

2. Within ninety (90) days after the statements are due to be filed with the group's domiciliary regulator, the group shall file with the commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulators, and financial statements, prepared by independent public accountants, of each underwriter member of the group.

(3) (a) Credit for reinsurance shall not be granted unless the form of the trust and any amendments to the trust have been approved by either the commissioner of the state where the trust is domiciled or the commissioner of another state who, pursuant to the terms of the trust instrument, has accepted responsibility for regulatory oversight of the trust. The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument shall provide that:

1. Contested claims shall be valid and enforceable out of funds in trust to the extent remaining unsatisfied thirty (30) days after entry of the final order of any court of competent jurisdiction in the United States;

2. Legal title to the assets of the trust shall be vested in the trustee for the benefit of the grantor's United States ceding insurers, their assigns and successors in interest;

3. The trust shall be subject to examination as determined by the commissioner;

4. The trust shall remain in effect for as long as the assuming insurer, or any member or former member of a group of insurers, shall have outstanding obligations under reinsurance agreements subject to the trust; and

5. No later than February 28 of each year the trustees of the trust shall report to the commissioner in writing setting forth the balance in the trust and listing the trust's investments at the preceding year-end, and shall certify the date of termination of the trust, if so planned, or certify that the trust shall not expire prior to the following December 31.

(b) 1. Notwithstanding any other provisions of the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by this paragraph or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the

commissioner with regulatory oversight over the trust or other designated receiver all of the assets of the trust fund.

2. The assets shall be distributed by and claims shall be filed with and valued by the commissioner with regulatory oversight over the trust in accordance with the laws of the state in which the trust is domiciled applicable to the liquidation of domestic insurance companies.
  3. If the commissioner with regulatory oversight over the trust determines that the assets of the trust fund or any part thereof are not necessary to satisfy the claims of the United States beneficiaries of the trust, the commissioner with regulatory oversight over the trust shall return the assets, or any part thereof, to the trustee for distribution in accordance with the trust agreement.
  4. The grantor shall waive any right otherwise available to it under United States law that is inconsistent with this provision.
- (4) For purposes of this rule, the term "liabilities" shall mean the assuming insurer's gross liabilities attributable to reinsurance ceded by United States domiciled insurers excluding liabilities that are otherwise secured by acceptable means, and, shall include:
- (a) For business ceded by domestic insurers authorized to write accident and health, and property and casualty insurance:
    1. Losses and allocated loss expenses paid by the ceding insurer, recoverable from the assuming insurer;
    2. Reserves for losses reported and outstanding;
    3. Reserves for losses incurred but not reported;
    4. Reserves for allocated loss expenses; and
    5. Unearned premiums.
  - (b) For business ceded by domestic insurers authorized to write life, health, and annuity insurance:
    1. Aggregate reserves for life policies and contracts net of policy loans and net due and deferred premiums;
    2. Aggregate reserves for accident and health policies;
    3. Deposit funds and other liabilities without life or disability contingencies; and
    4. Liabilities for policy and contract claims.
- (5) Assets deposited in trusts established pursuant to T.C.A. § 56-2-208(b) and this rule shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a United States financial institution as defined in T.C.A. § 56-2-209(c), clean, irrevocable, unconditional and "evergreen" letters of credit issued or confirmed by a qualified United States financial institution, as defined in T.C.A. § 56-2-209(c), and investments of the type specified in this subsection, but investments in or issued by an entity controlling, controlled by or under common control with either the grantor or the beneficiary of the trust shall not exceed five percent (5%) of total investments. No more than twenty percent (20%) of the total of the investments in the trust may be foreign investments authorized under Rule 0780-01-63-.06(5)(a)5., Rule 0780-01-63-.06(5)(c), Rule 0780-01-63-.06(5)(f)2., or Rule 0780-01-63-

.06(5)(g), and no more than ten percent (10%) of the total of the investments in the trust may be securities denominated in foreign currencies. For purposes of applying the preceding sentence, a depository receipt denominated in United States dollars and representing rights conferred by a foreign security shall be classified as a foreign investment denominated in a foreign currency. Reinsurance recoverables for only the following lines of business as reported on the National Association of Insurance Commissioners annual financial statement related specifically to the catastrophic occurrence will be included in the deferral:
1. Line 1: Fire

Any reinsurance contract entered into prior to the effective date of the certification of the assuming insurer that is subsequently amended after the effective date of the certification of the assuming insurer, or a new reinsurance contract, covering any risk for which collateral was provided previously, shall only be subject to this rule with respect to losses incurred and reserves reported from and after the effective date of the amendment or the new contract.
- (f) Nothing in this rule shall prohibit the parties to a reinsurance agreement from agreeing to provisions establishing security requirements that exceed the minimum security requirements established for certified reinsurers under this section.
- (2) Certification Procedure.
- (a) The commissioner shall post notice on the insurance department's website promptly upon receipt of any application for certification, including instructions on how members of the public may respond to the application. The commissioner

may not take final action on the application until at least thirty (30) days after posting the notice required by this subparagraph.

- (b) The commissioner shall issue written notice to an assuming insurer that has made application and been approved as a certified reinsurer. Included in such notice shall be the rating assigned the certified reinsurer in accordance with Rule 0780-01-63-.07(1). The commissioner shall publish a list of all certified reinsurers and their ratings on the insurance department's website.
- (c) In order to be eligible for certification, the assuming insurer shall meet the following requirements:
  - 1. The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a Qualified Jurisdiction, as determined by the commissioner pursuant to Rule 0780-01-63-.07(3).
  - 2. The assuming insurer must maintain capital and surplus, or its equivalent, of no less than two hundred fifty million dollars (\$250,000,000) calculated in accordance with 0780-01-63-.07(2)(d)8..     - (ii) Moody's Investors Service;
    - (iii) Fitch Ratings;
    - (iv) A.M. Best Company; or
    - (v) Any other Nationally Recognized Statistical Rating Organization.
  - 4. The certified reinsurer must comply with any other requirements reasonably imposed by the commissioner.
- (d) Each certified reinsurer shall be rated on a legal entity basis, with due consideration being given to the group rating where appropriate, except that an association including incorporated and individual unincorporated underwriters that has been approved to do business as a single certified reinsurer may be evaluated on the basis of its group rating. Factors that may be considered as part of the evaluation process include, but are not limited to, the following:
  - 1. The certified reinsurer's financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The commissioner shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer. A failure to obtain or maintain at

least two (2) financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification:

- (e) Based on the analysis conducted under Rule 0780-01-63-.07(2)(d)5. of a certified reinsurer's reputation for prompt payment of claims, the commissioner may make appropriate adjustments in the security the certified reinsurer is required to post to protect its liabilities to United States ceding insurers, provided that the commissioner shall, at a minimum, increase the security the certified reinsurer is required to post by one rating level under Rule 0780-01-63-.07(2)(d)1. if the commissioner finds that:
1. More than fifteen percent (15%) of the certified reinsurer's ceding insurance clients have overdue reinsurance recoverables on paid losses of ninety (90) days or more which are not in dispute and which exceed one hundred thousand dollars (\$100,000) for each ceding; or
  2. The aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by ninety (90) days or more exceeds fifty million dollars (\$50,000,000).
- (f) The assuming insurer must submit a properly executed Form CR-1 (adopted as Appendix D of this chapter and incorporated herein by reference) as evidence of its submission to the jurisdiction of this state, appointment of the commissioner as an agent for the service of process in this state, and agreement to provide security for one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if it resists enforcement of a final United States judgment. The commissioner shall not certify any assuming insurer that is domiciled in a jurisdiction that the commissioner has determined does not adequately and promptly enforce final United States judgments or arbitration awards.
- (g) The certified reinsurer must agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis. The applicable information filing requirements are, as follows:
1. Notification within ten (10) days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefore;

(h) Change in Rating or Revocation of Certification.

1. In the case of a downgrade by a rating agency or other disqualifying circumstance, the commissioner shall upon written notice assign a new rating to the certified reinsurer in accordance with the requirements of Rule 0780-01-63-.07(2)(d)1..
2. The commissioner shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer's certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this section, or if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the commissioner to reconsider the certified reinsurer's ability or willingness to meet its contractual obligations.
3. If the rating of a certified reinsurer is upgraded by the commissioner, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the commissioner shall require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the commissioner, the commissioner shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.
4. Upon revocation of the certification of a certified reinsurer by the commissioner, the assuming insurer shall be required to post security in accordance with Rule 0780-01-63-.09 in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with Rule 0780-01-63-.06, the commissioner may allow additional credit equal to the ceding insurer's *pro rata* share of such funds, discounted to reflect the risk uncollectibility and anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer's rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may not be denied credit for reinsurance for a period of three (3) months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the commissioner to be at high risk of uncollectibility.

(3) Qualified Jurisdictions.

- (a) If upon conducting an evaluation under this section with respect to the reinsurance supervisory system of any non-United States assuming insurer, the commissioner determines that the jurisdiction qualifies to be recognized as a qualified jurisdiction, the commissioner shall publish notice and evidence of such recognition on the insurance department's website. The commissioner may

establish a procedure to withdraw recognition of those jurisdictions that are no longer qualified.

- (b) In order to determine whether the domiciliary jurisdiction of a non-United States assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the reinsurance supervisory system of the non-United States jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-United States jurisdiction to reinsurers licensed and domiciled in the United States. The commissioner shall determine the appropriate approach for evaluating the qualifications of such jurisdictions, and create and publish on the insurance department's website a list of jurisdictions whose reinsurers may be approved by the commissioner as eligible for certification. A qualified jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the commissioner, include but are not limited to the following:
1. The framework under which the assuming insurer is regulated.
  2. The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.
  3. The substance financial and operating standards for assuming insurers in the domiciliary jurisdiction.
  4. The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.
  5. The domiciliary regulator's willingness to cooperate with United States regulators in general and the commissioner in particular.
  6. The history of performance by assuming insurers in the domiciliary jurisdiction.
  7. Any documented evidence of substantial problems with the enforcement of final United States judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the commissioner has determined that it does not adequately and promptly enforce final United States judgments or arbitration awards.
  8. Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization.
  9. Any other matters deemed relevant by the commissioner.
- (c) A list of qualified jurisdictions is published through the National Association of Insurance Commissioners Committee Process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification with respect to the criteria provided under Rule 0780-01-63-.07(3)(b).
- (d) United States jurisdictions that meet the requirements for accreditation under the National Association of Insurance Commissioners financial standards and accreditation program shall be recognized as qualified jurisdictions.

- (4) Recognition of Certification Issued by a National Association of Insurance Commissioners Accredited Jurisdiction.
- (a) If an applicant for certification has been certified as a reinsurer in a National Association of Insurance Commissioners accredited jurisdiction, the commissioner has the discretion to defer to that jurisdiction's certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed Form CR-1 (Appendix A of this chapter) and such additional information as the commissioner requires. The assuming insurer shall be considered to be a certified reinsurer in this state.
  - (b) Any change in the certified reinsurer's status or rating in the other jurisdiction shall apply automatically in this state as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the commissioner of any change in its status or rating within ten (10) days after receiving notice of the change.
  - (c) The commissioner may withdraw recognition of the other jurisdiction's rating at any time and assign a new rating in accordance with Rule 0780-01-63-.07(2)(h).
  - (d) The commissioner may withdraw recognition of the other jurisdiction's certification at any time, with written notice to the certified reinsurer. Unless the commissioner suspends or revokes the certified reinsurer's certification in accordance with 0780-01-63-.07(2)(h), the certified reinsurer's certification shall remain in good standing in this state for a period of three (3) months, which shall be extended if additional time is necessary to consider the assuming insurer's application for certification in this state.
- (5) Mandatory Funding Clause.

In addition to the clauses required under Rule 0780-01-63-.13, reinsurance contracts entered into or renewed under this rule shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this rule for reinsurance ceded to the certified reinsurer.

- (6) The commissioner shall comply with all reporting and notification requirements that may be established by the National Association of Insurance Commissioners with respect to certified reinsurers and qualified jurisdictions.

This security may be in the form of any of the following:

Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance (or confirmation) shall, notwithstanding the issuing (or confirming) institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs; or
  - (d) Any other form of security acceptable to the commissioner.
- (2) An admitted asset or a reduction from liability for reinsurance ceded to an unauthorized assuming insurer pursuant to this rule shall be allowed only when the requirements of Rule 0780-01-63-.13 and the applicable portions of Rule 0780-01-63-.10, Rule 0780-01-63-.11, or Rule 0780-01-63-.12 have been satisfied.

Where the ceding insurer has received notification of termination of the trust and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer, and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution apart from its general assets, in trust for the uses and purposes specified in Parts 1. and 2., above, as may remain executory after withdrawal and for any period after the termination date.
- (m) Either the reinsurance agreement or the trust agreement must stipulate that the assets deposited in the trust account shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a United States bank and payable in United States dollars, and investments permitted under Title 56 of the Tennessee Code Annotated or any combination of the above, provided investments in or issued by an entity controlling, controlled by or under common control with either the grantor or the beneficiary of the trust shall not exceed five percent (5%) of total investments. The agreement may further specify the types of investments to be deposited. If the reinsurance agreement covers life, annuities or accident and health risks, then the provisions required by this paragraph must be included in the reinsurance agreement.

(3) Permitted Conditions.

- (a) The trust agreement may provide that the trustee may resign upon delivery of a written notice of resignation, effective not less than ninety (90) days after receipt by the beneficiary and grantor of the notice and that the trustee may be removed by the grantor by delivery to the trustee and the beneficiary of a written notice of removal, effective not less than ninety (90) days after the trustee and the beneficiary receive the notice, provided that no such resignation or removal shall be effective until a successor trustee has been duly appointed and approved by the beneficiary and the grantor and all assets in the trust have been duly transferred to the new trustee.
- (b) The grantor may have the full and unqualified right to vote any shares of stock in the trust account and to receive from time to time payments of any dividends or interest upon any shares of stock or obligations included in the trust account. Any such interest or dividends shall be either forwarded promptly upon receipt to the grantor or deposited in a separate account established in the grantor's name.

- (c) The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution shall be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions which the trustee determines are at least equal in current fair market value to the assets withdrawn and that are consistent with the restrictions in Rule 0780-01-63-.10(4)(a)2..
  - (d) The trust agreement may provide that the beneficiary may at any time designate a party to which all or part of the trust assets are to be transferred. Transfer may be conditioned upon the trustee receiving, prior to or simultaneously, other specified assets.
  - (e) The trust agreement may provide that, upon termination of the trust account, all assets not previously withdrawn by the beneficiary shall, with written approval by the beneficiary, be delivered over to the grantor.
- (4) Additional permitted conditions applicable to reinsurance agreements:
- (a) A reinsurance agreement may contain provisions that:
    - 1. Require the assuming insurer to enter into a trust agreement and to establish a trust account for the benefit of the ceding insurer, and specifying what the agreement is to cover;
    - 2. Require the assuming insurer, prior to depositing assets with the trustee, to execute assignments or endorsements in blank, or to transfer legal title to the trustee of all shares, obligations or any other assets requiring assignments, in order that the ceding insurer, or the trustee upon the direction of the ceding insurer, may whenever necessary negotiate these assets without consent or signature from the assuming insurer or any other entity;
    - 3. Require that all settlements of account between the ceding insurer and the assuming insurer be made in cash or its equivalent; and
    - 4. Stipulate that the assuming insurer and the ceding insurer agree that the assets in the trust account, established pursuant to the provisions of the reinsurance agreement, may be withdrawn by the ceding insurer at any time, notwithstanding any other provisions in the reinsurance agreement, and shall be utilized and applied by the ceding insurer or its successors in interest by operation of law, including without limitation any liquidator, rehabilitator, receiver or conservator of such company, without diminution because of insolvency on the part of the ceding insurer or the assuming insurer, only for the following purposes:
      - (i) To pay or reimburse the ceding insurer for:
        - (I) The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement because of cancellations of such policies;
        - (II) The assuming insurer's share of surrenders and benefits or losses paid by the ceding insurer pursuant to the provisions of the policies reinsured under the reinsurance agreement; and

- (III) Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;

and

- (ii) To make payment to the assuming insurer of amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer.

(b) The reinsurance agreement may also contain provisions that:

1. Give the assuming insurer the right to seek approval from the ceding insurer, which shall not be unreasonably or arbitrarily withheld, to withdraw from the trust account all or any part of the trust assets and transfer those assets to the assuming insurer, provided:

- (i) The assuming insurer shall, at the time of withdrawal, replace the withdrawn assets with other qualified assets having a current fair market value equal to the market value of the assets withdrawn so as to maintain at all times the deposit in the required amount; or

- (ii) After withdrawal and transfer, the current fair market value of the trust account is no less than one hundred two percent (102%) of the required amount.

2. Provide for the return of any amount withdrawn in excess of the actual amounts required for Rule 0780-01-63-.10(4)(a)4., and for interest payments at a rate not in excess of the prime rate of interest on such amounts;

3. Permit the award by any arbitration panel or court of competent jurisdiction of:

- (i) Interest at a rate different from that provided in Part 2 of this subparagraph (b);

- (ii) Court or arbitration costs;

- (iii) Attorney's fees; and

- (iv) Any other reasonable expenses.

(c) Financial reporting.

A trust agreement may be used to reduce any liability for reinsurance ceded to an unauthorized assuming insurer in financial statements required to be filed with this department in compliance with the provisions of this chapter when established on or before the date of filing of the financial statement of the ceding insurer. Further, the reduction for the existence of an acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but such reduction shall be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure.

(d) Existing agreements.

Notwithstanding the effective date of this chapter, any trust agreement or underlying reinsurance agreement in existence prior to the effective date of this chapter will continue to be acceptable until January 1, 2019, at which time the agreement will have to be in full compliance with this chapter for the trust agreement to be acceptable.

- (e) The failure of any trust agreement to specifically identify the beneficiary as defined in Rule 0780-01-63-.10(1) shall not be construed to affect any actions or rights which the commissioner may take or possess pursuant to the provisions of the laws of this state.

Authority: T.C.A. §§ 56-2-208, 56-2-209, and 56-2-301.

0780-01-63-.11 Letters of Credit Qualified Under Rule 0780-01-63-.09

- (1) The letter of credit must be clean, irrevocable and unconditional and issued or confirmed by a qualified United States financial institution as defined in T.C.A. § 56-2-209(c). The letter of credit shall contain an issue date and expiration date and shall stipulate that the beneficiary need only draw a sight draft under the letter of credit and present it to obtain funds and that no other document need be presented. The letter of credit shall also indicate that it is not subject to any condition or qualifications outside the letter of credit. In addition, the letter of credit itself shall not contain reference to any other agreements, documents or entities, except as provided in Rule 0780-01-63-.11(8)(a), below. As used in this rule, "beneficiary" means the domestic insurer for whose benefit the letter of credit has been established and any successor of the beneficiary by operation of law. If a court of law appoints a successor in interest to the named beneficiary, then the named beneficiary includes and is limited to the court appointed domiciliary receiver (including conservator, rehabilitator or liquidator).
- (2) The heading of the letter of credit may include a boxed section which contains the name of the applicant and other appropriate notations to provide a reference for the letter of credit. The boxed section shall be clearly marked to indicate that such information is for internal identification purposes only.
- (3) The letter of credit shall contain a statement to the effect that the obligation of the qualified United States financial institution under the letter of credit is in no way contingent upon reimbursement with respect thereto.
- (4) The term of the letter of credit shall be for at least one (1) year and shall contain an "evergreen clause" which prevents the expiration of the letter of credit without due notice from the issuer. The "evergreen clause" shall provide for a period of no less than thirty (30) days' notice prior to expiration date or nonrenewal.
- (5) The letter of credit shall state whether it is subject to and governed by the laws of this state or the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication 600 (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98), or any successor publication, and all drafts drawn thereunder shall be presentable at an office in the United States of a qualified United State financial institution.
- (6) If the letter of credit is made subject to the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication 600 (UCP 600) or International Standby practices of the International Chamber of Commerce Publication 590 (ISP98), or any successor publication, the letter of credit shall specifically address and provide for an extension of time to draw against the letter of credit in the event that one or more of the occurrences specified in Article 36 of Publication 600 or any other successor publication, occur.
- (7) If the letter of credit is issued by a United States financial institution authorized to issue letters of credit by the laws under which it was organized, other than a qualified United

States financial institution as defined in T.C.A. § 56-2-209(c), then the following additional requirements shall be met:

- (a) The issuing qualified United States financial institution shall formally designate the confirming qualified United States financial institution as its agent for the receipt and payment of the drafts; and
  - (b) The "evergreen clause" shall provide for thirty (30) days' notice prior to expiration date or nonrenewal.
- (8) Reinsurance agreement provisions.
- (a) The reinsurance agreement in conjunction with which the letter of credit is obtained may contain provisions that:
    - 1. Require the assuming insurer to provide letters of credit to the ceding insurer and specify what they are to cover;
    - 2. Stipulate that the assuming insurer and ceding insurer agree that the letter of credit provided by the assuming insurer pursuant to the provisions of the reinsurance agreement may be drawn upon at any time, notwithstanding any other provisions in the agreement, and shall be utilized by the ceding insurer or its successors in interest only for one or more of the following reasons:
      - (i) To pay or reimburse the ceding insurer for:
        - (I) The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurers, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of such policies;
        - (II) The assuming insurer's share, under the specific reinsurance agreement, of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurers, under the terms and provisions of the policies reinsured under the reinsurance agreement; and
        - (III) Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;
      - (ii) Where the letter of credit will expire without renewal or be reduced or replaced by a letter of credit for a reduced amount and where the assuming insurer's entire obligations under the reinsurance agreement remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of the liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer and exceed the amount of any reduced or replacement letter of credit, and deposit of those amounts in a separate account in the name of the ceding insurer in a qualified U.S. financial institution apart from its general assets, in trust for such uses and purposes as specified in Rule 0780-01-63-.11(8)(a)2.(i) as may remain after withdrawal and for any period after the termination date.

3. All of the foregoing provisions of subparagraph (a) should be applied without diminution because of insolvency on the part of the ceding insurer or assuming insurer.
- (b) Nothing contained in subparagraph (a), above, shall preclude the ceding insurer and assuming insurer from providing for:
1. An interest payment, at a rate not in excess of the prime rate of interest, on the amounts held pursuant to Rule 0780-01-63-.11(8)(a)2.; or
  2. The return of any amounts drawn down on the letters of credit in excess of the actual amounts required for the above or any amounts that are subsequently determined not to be due.

- (2) Includes a provision pursuant to T.C.A. § 56-2-208(b) whereby the assuming insurer, if an unauthorized assuming insurer, has submitted to the jurisdiction of an alternative dispute resolution panel or court of competent jurisdiction within the United States, has agreed to comply with all requirements necessary to give such court or panel jurisdiction, has designated an agent upon whom service of process may be effected, and has agreed to abide by the final decision of the court or panel; and
- (3) Includes a proper reinsurance intermediary clause, if applicable, which stipulates that the credit risk for the intermediary is carried by the assuming insurer.

Authority: T.C.A. §§ 56-2-208, 56-2-209, and 56-2-301.

#### 0780-01-63-.14 Contracts Affected.

If any provision of this chapter, or the application of the provision to any person or circumstance, is held invalid, the remainder of the chapter, and the application of the provision to persons or circumstances other than those to which it is held invalid, shall not be affected.
