- (4) The ranking of applicants must consider grade point average, standardized test scores and evidence of commitment (experiences that would indicate an interest in teaching). - (1) All loans shall be evidenced by notes payable to TSAC.
- (2) Funds will be sent to the college financial aid office or business office each semester in the recipient's name and shall be disbursed on a semester pro rata basis. If the institution participates in Automated Clearing House, the funds will be sent by direct deposit to the institution and the institution will be directed to deliver the funds to the recipient. The maximum award for a recipient and opportunities for renewal shall be as described in T.C.A. § 49-4-706. If the recipient receives other educational assistance for the same period(s), the total assistance including this award is limited to the recipient's cost of attendance, as determined by the college financial aid office.
- (3) The awards may be transferred from one eligible institution of higher education to another provided that a TSAC-approved transfer form is submitted to TSAC.
- (4) Cancellation
  - (a) For each year of full-time teaching service at an eligible school, as defined in these regulations, the recipient shall receive cancellation credit of one (1) academic year's award (the equivalent of two (2) semesters) toward repayment of the loan. If a recipient teaches in an eligible school that is high priority or on warning status as designated by the State Department of Education or the State Board of Education, the recipient's obligation will be canceled at a rate of one and one-third (  $1 \frac{1}{3}$ ) of the total annual award.
  - (b) Fractions of a year may be credited in one (1) semester or one-half (1/2) year increments toward cancellation for recipients who begin or end full time teaching in the middle of an

academic year in a Tennessee public school. At the end of such period, cancellation will be applied upon receipt of verification of the completion of such service.

- (c) A grace period of one (1) year will be granted to allow the recipient opportunity to secure employment to begin cancellation credit. When a recipient has obtained a full-time teaching position at an eligible school, some or all of the grace period may be waived at the recipient's written request.
- (d) Recipients in teaching positions, which qualify them for cancellation credit, must notify TSAC of that teaching status. Individuals whom TSAC has determined to be in a full-time teaching position at an eligible school shall be granted a postponement on repayment to allow them the opportunity to complete a full year of teaching. At the end of such period, cancellation credit will be applied upon receipt of the verification of such service.
- (e) The debt shall be canceled in case of the death of the recipient upon documentation deemed acceptable by TSAC.
- (f) If a recipient is determined to be totally and permanently disabled under the standards established by T.C.A., Title 8, Chapter 36, Part 5, for determining disability for members of the Tennessee Consolidated Retirement System, the outstanding debt shall be canceled. A recipient is not considered totally and permanently disabled on the basis of a condition that existed prior to his or her application unless the recipient's condition has substantially deteriorated since he or she submitted the application. If at any time subsequent to an initial determination of disability the recipient's condition improves to the point where a total and permanent disability no longer exists, the Corporation may reinstate any outstanding debt previously canceled.

(5) Repayment

- (a) The loan must be repaid should the recipient choose not to honor the terms and conditions of the loan agreement. Repayment will include the full amount of the loan funds received plus interest accrued from the date of disbursement award(s). The interest accrued is determined by an interest rate of nine percent (9%) per annum. Repayment may be in whole or in monthly installments of at least one hundred dollars (\$100) over a period of not more than ten (10) years from the end of the grace period. Payments of less than one hundred dollars (\$100) per month may be made only if the recipient documents to TSAC's satisfaction his or her inability to make payments of that amount. All interest shall be based upon the unpaid balance of the loan. The accrued interest may be capitalized.
- (b) Repayment for recipients who complete the plan of study shall begin upon demand by TSAC, or in the first month following the end of the grace period. Interest shall begin to accrue on the date of disbursement.
- (c) Repayment for recipients who fail to complete the funded plan of study shall begin upon demand by TSAC, or in the first month following such failure. Repayment will include the full amount of the loan funds received plus interest accrued from the date of disbursement and shall be based upon the nine percent (9%) per annum interest rate from the time of the recipient's disbursement. Repayment may be made in whole or monthly installments over a period of not more than ten (10) years from the date of failure to complete the plan of study. All interest shall be based upon the unpaid balance of the loan. The accrued interest may be capitalized. If a borrower issues a check, draft, warrant or electronic funds transfer, which is subsequently returned to TSAC for reason of insufficient funds, a stop payment order by the issuer, or other reason, the payment to which these funds was applied shall be reversed on the borrower's account and interest shall continue to accrue from the date of the last valid payment.

- (d) Repayment of principal and interest will be prorated for partial service cancellation to reflect each full academic year taught. Such repayment shall begin upon demand by TSAC, or in the first month following termination of the creditable teaching service. Repayment of the non-canceled loan may be made in whole or in monthly installments over the remaining months of the ten-year repayment period. All interest shall be based upon the unpaid balance of the loan. The accrued interest may be capitalized. Minimum monthly payments of one hundred dollars (\$100) will be required unless an exception as described in (4)(a) is granted.
  - (e) If a recipient should re-enter teaching at an eligible school after commencing monetary repayment, the repayments already made cannot be returned to the recipient. However, any additional repayment balances that were not in arrears at the time of the reentry into teaching may be “forgiven” by subsequent teaching service.
- (6) Repayment of principal may be deferred, but interest shall accrue, during any period while the recipient is enrolled as a full-time student in an accredited institution of higher learning, or other extenuating circumstances as determined by the Executive Director of the TSAC. To be eligible for deferment the recipient must request a deferment in writing and complete a TSAC-approved deferment form on a semi-annual basis.
- (7) Deferments must be verified on a semi-annual basis and supporting documentation shall be provided to TSAC if requested. A student may be granted a deferment based on one or more of the following reasons:
- (a) “Enrollment not seeking a teaching certificate” in which the student is still enrolled in an accredited institution but is no longer seeking a teaching licensure, and shall not exceed three (3) years.
  - (b) “Enrollment seeking a teaching certificate” in which the student has not yet completed the requirements for a teaching licensure and is still enrolled at least half-time at an accredited postsecondary institution and is making satisfactory progress toward a teacher licensure and shall not exceed four (4) years.
  - (c) “Hardship” is a period of time the student is not able to make payments and shall not exceed two (2) years.
  - (d) “Military duty” in which a student has been called into active duty and shall not exceed the time of deployment.

Authority: T.C.A. §§ 49-4-201, 49-4-204, and 49-4-706.

Rule 1640-01-13-.06 Appeals Procedures is amended by deleting the current language in its entirety and substituting the following language so that as amended rule shall read:

- (1) TSAC shall provide written notice to a student of an adverse decision relative to a student’s application for scholarship or scholarship award. A student who disagrees with such decision and wants the decision reviewed must request a review of the decision in writing. The student’s request for review must be received by TSAC within ten (10) business days of the date of the written notice provided by TSAC. Such request shall include a statement of the reason or reasons for the request for review and all information supporting the student’s position regarding the decision.

- (2) Review of the TSAC decision shall be made by the TSAC Associate Executive Director for Grants and Scholarships, who shall issue a written decision to the student. A student who disagrees with such decision and wants the decision reviewed must request a further review of that decision in writing. The student's request for review must be received by TSAC within ten (10) business days of the date of the decision. Such request shall include a statement of the reason or reasons for request for review and all relevant supporting information.
- (3) Review of the decision of the TSAC Associate Executive Director for Grants and Scholarships shall be made by the TSAC Executive Director, who shall issue a written decision to the student. A student who disagrees with such decision and wants the decision reviewed must request a further review of that decision in writing. The student's request for review must be received by TSAC within ten (10) business days of the date of the decision. Such request shall include a statement of the reason or reasons for request for review and all relevant supporting information.
- (4) Review of the decision of the TSAC Executive Director shall be made by the TSAC Appeals Committee, who shall issue a written decision to the student. The decision of the TSAC Appeals Committee is the final administrative remedy. There shall be no right to judicial review of a decision of the TSAC Appeals Committee.

**REGULATORY FLEXIBILITY ACT OF 2007, PUBLIC CHAPTER 464  
ECONOMIC IMPACT STATEMENT**

**TENNESSEE STUDENT ASSISTANCE CORPORATION  
CHAPTER 1640-01-13 – MINORITY TEACHING FELLOWS PROGRAM**

Public Chapter 464 of the 2007 Tennessee Public Acts, effective June 21, 2007 requires that prior to initiating the rulemaking process pursuant to Tenn. Code Ann. §§ 4-5-202(a)(3) and 4-5-202(a), all boards and commissions shall review all proposed rules and the impact that the proposed rule has on small businesses. The public chapter requires that as a part of its analysis, each agency shall prepare an economic impact statement as an addendum to each rule that is deemed to affect small businesses, which shall be published in the Tennessee Administrative Register, filed with the Secretary of State's Office, and made available to all interested parties, including the Secretary of State, Attorney General, and the House and Senate Government Operations Committees.

This economic impact statement shall include the following: the type or types of small businesses and an identification and estimate of the number of small businesses subject to the proposed rule that would bear

the cost of, and/or directly benefit from the proposed rules; the projected reporting, recordkeeping and other administrative costs required for compliance with the proposed rule, including the type of professional skills necessary for preparation of the report or record; a statement of the probable effect on impacted small businesses and consumers; a description of any less burdensome, less intrusive or less costly alternative methods of achieving the purpose and/or objectives of the proposed rule that may exist, and to what extent, such alternative means might be less burdensome to small businesses; a comparison of the proposed rule with any federal or state counterparts; and analysis of the effect of the possible exemption of small businesses from all or any part of the requirements contained in the proposed rule.

### **DESCRIPTION OF PROPOSED RULE**

The Tennessee Student Assistance Corporation (TSAC) intends to file proposed rules pursuant to T.C.A. § 4-5-202 in lieu of a rulemaking hearing to amend the current rules of Chapter 1640-01-13 Minority Teaching Fellows Program (MTFP). It is the intent of TSAC to promulgate these rules without a rulemaking hearing unless a petition requesting such hearing is filed within thirty (30) days of the publication date of issue of the Tennessee Administrative Register in which the proposed rules are published.

These rules are being promulgated as proposed rules to effectuate changes that TSAC staff considered necessary to clarify certain language in the rules, produce greater uniformity between the MTFP rules and the Tennessee Teaching Scholars Program (TTSP) and facilitate administration by postsecondary institutions and by TSAC. Substantive changes were made to reflect minor policy and procedure changes, which include: applicant selection prioritization was reordered to ensure a higher retention rate and decrease the number of loan defaults; the appeals procedures were changed with the assistance of the Attorney General's Office to clarify the process by which students may appeal adverse decisions relative to their scholarship applications or awards.

### **ECONOMIC IMPACT STATEMENT**

1. Types of small businesses directly affected:

Independent postsecondary education institutions which employ fifty (50) or fewer full-time employees that have students in attendance receiving an MTFP fellowship award.

2. Projected reporting, recordkeeping, and other administrative costs:

There are no significant changes in reporting, recordkeeping, or other administrative costs that will result from the promulgation of these proposed rules.

3. Probable effect on small businesses:

The proposed changes to the rules were drafted to facilitate administration of the program for all secondary and postsecondary education institutions and should have a positive effect on the independent postsecondary institutions employing fifty (50) or fewer full-time employees.

4. Less burdensome, intrusive, or costly alternative methods:

As these proposed changes present no foreseeable cost to small businesses, there is no alternative method to propose.

5. Comparison with federal and state counterparts:

There are no federal or state counterparts to the issues addressed by these proposed rules.

6. Effect of possible exemption of small businesses:

There will be no exemptions created by these proposed rules.
